**Children's Literature in Translation** - Jan Van Coillie 2020-10-30

For many of us, our earliest and most meaningful experiences with literature occur through the medium of a translated children's book. This volume focuses on the complex interplay that happens between text and context when works of children's literature are translated: what contexts of production and reception account for how translated children's books come to be made and read as they are? How are translated children's books adapted to suit the context of a new culture? Spanning the disciplines of Children's Literature Studies and Translation Studies, this book brings together established and emerging voices to provide an overview of the analytical, empirical and geographic richness of current research in this field and to identify and reflect on common insights, analytical perspectives and trajectories for future interdisciplinary research. This volume will appeal to an interdisciplinary audience of scholars and students in Translation Studies and Children's Literature Studies and related disciplines. It has a broad geographic and cultural scope, with contributions dealing with translated children's literature in the United Kingdom, the United States, Ireland, Spain, France, Brazil, Poland, Slovenia, Hungary, China, the former Yugoslavia, Sweden, Germany, and Belgium.

**No Way! Okay, Fine** - Brodie Lancaster 2017-06-27

"Brodie is whip smart; merging pop-culture references with vulnerable, personal experiences to create a collection that reads like a hilarious catch-up call with an old friend. What a pleasure to hear from this fresh, extremely relevant point of view." Abbi Jacobson, CO-CREATOR / WRITER / STAR of BROAD CITY "I wish Brodie was the voice of my inner monologue; narrating me through life with her fierce intelligence and never-ending pop culture references. Instead, I'll just settle for this extremely relatable, unashamedly funny, powerful and beautifully vulnerable book No Way! Okay, Fine." - Courtney Barnett, ARIA award winning and Grammy nominated songwriter and musician. 'I identified early on that my role in relationships was the sidekick, the platonic female cast member in an all-male production, or the friend who was relied on selectively when other options were unavailable. I was the comic relief or the stand-in, never the lead. I knew this, I felt it, I wrote it down, but I didn't dare say it aloud because that would prove that I cared and caring wasn't cool.' From the small town in regional Australia where she was told that 'girls can't play the drums' to New York City and back again, Brodie has spent her life searching screens, books, music and magazines for bodies like hers, girls who loved each other, and women who didn't follow the silent instructions to shrink or hide that they've received since literal birth. This is the story of life as a young woman through the lenses of feminism and pop culture. Brodie's story will make you re-evaluate the power of pop culture in our lives - and maybe you will laugh and cry along the way. 'Brodie Lancaster is a thoughtful and patient writer, and this book is a generous, deep dive into her psyche.

Brodie's thoughts about her body, her friends and lovers, her choices and fears are all presented with the same staccato blast of pop culture touchstones, and if you love boy bands/the internet/reality television/the Gilmore Girls/literally every other thing that is good in the world, you will adore this book.' - Emma Straub, bestselling author of THE VACATIONERS and MODERN LOVERS.

Make no mistake, the newly deceased Conrad is one angry ghost, and the object of his wrath is chapter president Ryan Hutchins, a "big, bright, rising star" who, in Conrad's view, is really "the darkest black hole you'll ever meet -- and I'm not just saying that because he killed me." Conrad's ghostly ability to see all but be seen by no one (except Miss Etta, Gamma Chi's elderly cook, who is gifted with paranormal powers) confirms his suspicion that Ryan's dark hand has a wide reach, from beating his girlfriend, Maggie Meadows, to terrorizing Sarah Jane Bradford, a religious student who senses that Ryan must be stopped. Out for revenge, Conrad possesses an unsuspecting pledge's body so he can finish what Ryan started, steering them toward a depraved confrontation with a surprising outcome that will leave readers gasping.
