## **Thesaurus of English Words and Phrases, Classified and Arranged So as to Facilitate the Expression of Ideas and Assist in Literary Composition** - Peter Mark Roget 2011-02-01

Oringinally published in 1853, this classic thesaurus will make an invaluable addition to the bookshelf in every home. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Thesaurus of English Words and Phrases - Peter Mark Roget 2017-05-15  
Excerpt from Thesaurus of English Words and Phrases: Classified and Arranged So as to Facilitate the Expression of Ideas and Assist in Literary Composition  
The first edition of Dr. Roget's Thesaurus was published in the year 1852, and a second in the ensuing spring. On the issue of the third, in 1855, the volume was stereotyped. Since that time until now, the work has been reprinted in the same form and with little alteration, in rapidly succeeding editions, the printing of which has worn out the original plates. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

**A Thesaurus of English Word Roots** - Horace Gerald Danner 2014-03-27

Horace G. Danner's A Thesaurus of English Word Roots is a compendium of the most-used word roots of the English language. As Timothy B. Noone notes in his foreword: "Dr. Danner's book allows you not only to build up your passive English vocabulary, resulting in word recognition knowledge, but also gives you the rudiments for developing your active English vocabulary, making it possible to infer the meaning of words with which you are not yet acquainted. Your knowledge can now expand and will do so exponentially as your awareness of the roots in English words and your corresponding ability to decode unfamiliar words grows apace. This is the beginning of a fine mental linguistic library: so enjoy!" In A Thesaurus of English Word Roots, all word roots are listed alphabetically, along with the Greek or Latin words from which they derive, together with the roots' original meanings. If the current meaning of an individual root differs from the original meaning, that is listed in a separate column. In the examples column, the words which contain the root are then listed, starting with their prefixes, for example, dysacousia, hyperacousia. These root-starting terms then are followed by terms where the root falls behind the word, e.g., acouesthesia and acoumeter. These words are followed by words where the root falls in the middle or the end, as in such terms as bradyacusia and odyacusis.. In this manner, A Thesaurus of English Word Roots places the word in as many word families as there are elements in the word. This work will interest linguists and philologists and anyone interested in the etymological aspects of English language.

Roget's Thesaurus of English Words and Phrases - George W. Davidson 2002

Suitable for speakers and writers of English, this thesaurus groups words thematically, thus offering the writer and speaker a creative and subtle means of finding new ways to express their thoughts.

*A History of Roget's Thesaurus : Origins, Development, and Design* - Werner Hüllen 2003-11-27

In 1852 Peter Mark Roget eclipsed a rich tradition of topically based dictionaries with the publication of his *Thesaurus of English Words and Phrases, Classified and Arranged so as to Facilitate the Expression of Ideas*. Based on intuition as much as on specific linguistic principles, Roget's book has been a bestseller ever since and is one of the most widely-used reference works ever published. In this book Werner Hüllen gives the first history of its genesis and publication, and investigates the principles of its structural design. The author opens with an account of Roget's life and his background in natural science. He then charts the parallel histories of dictionaries of synonyms and concepts within the general context of lexicography. Synonymy, he argues, is a necessary feature of languages without which communication would be impossible. He traces its theory and practice from Plato to the emergence of French and English synonym dictionaries in the seventeenth century. Roget's was the first such book to be arranged by topic and the first to encompass the semantic network of the entire language. The author examines the manner and method of its compilation, the practical outcomes of the traditions on which it was based, and the ways in which the *Thesaurus* reflects and reveals Roget's beliefs and background. *A History of Roget's Thesaurus* will interest students and scholars of linguistics, semantics, and lexicography, as well as anyone wishing to know more about a great literary achievement and an astonishing publishing phenomenon.

The St. Martin's Roget's Thesaurus of English Words and Phrases - Peter Mark Roget 1965

American spelling and usage are incorporated in the original dictionary of synonyms and antonyms

**The Well-spoken Thesaurus** - Tom Heehler 2011

If you've ever fumbled while trying to use a big word\* (\*lofty, pretentious word) to impress a crowd, you know what it's like to\* (\*what it is to) be poorly spoken. The fear of mispronouncing or misusing complex words is real and leaves many of us consigned to the lower levels\* (\*lower echelons) of the English Language. The Well-Spoken Thesaurus is your guide to eloquence, replacing the ordinary with the extraordinary.
