**Paint by Sticker** - Workman Publishing 2016-04-05

Introducing a compelling new activity for crafters and artists, doodlers and coloring book enthusiasts of all ages. Paint by Sticker includes everything you need to create twelve vibrant, full-color "paintings." The images—including sunflowers, a fox, a hummingbird in mid-flight, two boats on the water—are rendered in "low-poly," a computer graphics style that creates a 3-D effect. As in paint-by-number, each template is divided into dozens of spaces, each with a number that corresponds to a particular colored sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next—it's an activity that's utterly absorbing as you watch a "painting" emerge from a flat black-and-white illustration to a dazzling image with color, body, spirit. The pages are perforated for easy removal, making it simple to frame the completed images.

**Swap Yer!** - Rob Jovanovic 2005-10-01

For your average 1960s or 70s schoolboy, the week was largely given over to amassing a football card collection, and later, the sticker annual. The cards were swapped with schoolmates, fought over, and more were purchased—yet somehow you still ended up with only the Birmingham City first team. In this history of the football card and sticker annual, Rob Jovanovic traces the history of the playing card right back to the golden age of the cigarette card, charting its development through the decades up to the modern-day sticker album. In doing so, the book provides a nostalgic, photographic history of the game.

Paint by Sticker Kids - Workman Publishing 2016-04-05

Move over, coloring books! Here's an entirely new craft that kids will love: Paint by Sticker Kids. Paint by Sticker Kids is the same compelling craft first introduced in Paint by Sticker, but just for kids! The book includes everything you need to create 10 bright, playful, full-color illustrations—illustrated templates printed on perforated card stock, and 10 pages of stickers to fill in and create the artwork. The fun, vibrant images are rendered in "low-poly," a computer graphics style using geometric polygon shapes to create a 3-D effect. As in paint-by-number, each template is divided into hundreds of spaces, each with a number

that corresponds to a particular sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next and voila! It's a rocket ship blasting through space. A Tyrannosaurus rex prowling his domain. A pickup truck hauling its load. A friendly toucan hanging on his perch. Kids will love watching these pictures come to life. Plus, each is suitable for framing or the fridge.
