"Yippee Ki-Yay Moviegoer" - Vern 2012-01-03

With the hilarious "instant cult classic" Seagalogy: A Study of the Ass-Kicking Films of Steven Seagal, Vern wrote a book that shook the very foundations of film criticism, broke their wrists, and then threw them through a window. Now he's back, and this time he's got all of 'the films of badass cinema' in his sights... From Die Hard to The Discrete Charm of the Bourgeoisie, Transformers to Mary Poppins, Vern has an opinion on everything, and he's not shy about sharing them...

Keanu Reeves: Most Triumphant - Alex Pappademas 2022-05-03

A tribute to and exploration of the magic behind one of Hollywood's most legendary and unknowable stars, Keanu Reeves, and the profound lessons we can learn from his success There can be no doubt: Keanu Reeves is a phenomenon. He's at once a badass action star, a hunky dreamboat who People magazine has called "the Internet's boyfriend," a vintage motorcycle enthusiast, a niche art book publisher, a living meme, and a legend. He seems to upend every rule governing celebrity in the 21st century. But how? In Keanu Reeves: Most Triumphant, cultural critic Alex Pappademas attempts to address Keanu's unmatched eternality and the other big questions raised by his career arc. Sharp, funny, deeply researched, and fully celebratory of the enigmatic actor, this is the first book to take Keanu's whole deal as seriously as it deserves. Yes, even Johnny Mnemonic, where Keanu mind melds with a dolphin. Along the way, Pappademas reveals the lessons we can learn from Keanu about Hollywood, our broader culture, and even life itself.

Keanu: childhood, youth and the moments of glory. Book #1 - Yevgeniya Sikhimbayeva 2021-01-21

"But this is a movie. In life, nothing similar happened. To the newcomer - what Keanu was like in this situation - there was no chance. You will have to watch this masterpiece very carefully so..." - this is just a piece of the book. Read it all... It is very interesting. The authors tried their best to write the real biography of Mr. Keanu Charles Reeves as it was possible to describe according to the information taken from the most reliable official "data bases", such as interviews, articles, etc.

Starfist: Wings of Hell - David Sherman 2009-12-29

Planet Haulover has been invaded by Skinks. Until now, the aliens' existence has been hushed up. But Force Recon's shocking report leaves the Confederation no choice but to mount a military campaign against these alien predators bent on human destruction. Meanwhile, back home, the Confederation's president is being denounced as a warmonger out to exterminate "harmless" aliens. If she loses the upcoming elections, the Confederation will have a lot more Skinks to worry about than the ones on Haulover. Newly promoted Lieutenant Charlie Bass and his third platoon have more pressing concerns, such as staying alive. But what would be a suicide mission for most—whether it's raiding a hidden Skinks base or destroying the enemy's most lethal weapons during a desperate firefight—is just another job for the Thirty-fourth FIST.

Extreme Ownership - Jocko Willink 2017-11-21

An updated edition of the blockbuster bestselling leadership book that took America and the world by storm, two U.S. Navy SEAL officers who led the most highly decorated special operations unit of the Iraq War demonstrate how to apply powerful leadership principles from the battlefield to business and life. Sent to the most violent battlefield in Iraq, Jocko Willink and Leif Babin's SEAL task unit faced a seemingly impossible mission: help U.S. forces secure Ramadi, a city deemed "all but lost." In gripping firsthand accounts of heroism, tragic loss, and hard-won victories in SEAL Team Three's Task Unit Bruiser, they learned that leadership—at every level—is the most important factor in whether a team succeeds or fails. Willink and Babin returned home from deployment and instituted SEAL leadership training that helped forge the next generation of SEAL leaders. After departing the SEAL Teams, they launched Echelon Front, a company that teaches these same leadership principles to businesses and organizations. From promising startups to Fortune 500 companies, Babin and Willink have helped scores of clients across a broad range of industries build their own high-performance teams and dominate their battlefields. Now, detailing the mind-set and principles that enable SEAL units to accomplish the most difficult missions in combat, Extreme Ownership shows how to apply them to any team, family or organization. Each chapter focuses on a specific topic such as Cover and Move, Decentralized Command, and Leading Up the Chain, explaining what they are, why they are important, and how to implement them in any leadership environment. A compelling narrative with powerful instruction and direct application, Extreme Ownership revolutionizes business management and challenges leaders everywhere to fulfill their ultimate purpose: lead and win.

The Psychotronic Video Guide To Film - Michael Weldon 1996
Catalogs a variety of sensationalist, low-budget, grade-B movies, including horror, science fiction, Blaxploitation, porn, and spaghetti westerns

Where the Hell Is Tesla? a Novel - Rob Dircks 2015-01-16

"I found the journal at work. Well, I don't know if you'd call it work, but that's where I found it. It's the lost journal of Nikola Tesla, one of the greatest inventors and visionaries ever. Before he died in 1943, he kept a notebook filled with spectacular claims and outrageous plans. One of these plans was for an "Interdimensional Transfer Apparatus"--That allowed someone (in this case me and my friend Pete) to travel to other versions of the infinite dimensions that make up the multiverse. Crazy, right? But that's just where the crazy starts." [back cover].

Bill & Ted Save the Universe #3 - Brian Joines 2017-08-16

The Wyld Stallyns have been found guilty of crimes against the galaxy!

Bill and Ted Are Doomed - Evan Dorkin 2021-04-13

This new series is a direct sequel to Bogus Journey and prequel to Face the Music and part of the Bill and Ted canon bringing in screenwriter and creator Ed Solomon to the table along with bringing back legendary Bill and Ted comics writer Evan Dorkin and acclaimed artist Roger Langridge! After defeating the evil dictator De Nomolos in Bogus Journey in 1995, things aren't looking as excellent as they should for either Bill and Ted or Wyld Stallyns. There's tension in the band and worry at home. Bill and Ted's obsessiveness with writing the one song to bring peace to the world is affecting their playing and their relationships with their families. The band is losing favor with fans and the future isn't shaping up as they were all led to believe it would from past (and future) events. The princesses are overwhelmed, Death threatens to quit the band as his growing ego has opened a rift, and the Stations live in their garage with their clunky creations Robot Bill and Ted who are creating lots of chaos. Desperate for a solution Bill and Ted burst in to announce their great idea to revive the band's fortunes: A world tour to spread the love - and the rock, and the love of the rock - to the world. Collects Bill & Ted Are Doomed issues 1-4.

Where I Am - Billy Graham 2015-09-29

The Final Chapter From Billy Graham While his earthly vision dims, the glory of heaven is illuminated as Billy Graham, the beloved evangelist, shares from his past, and his present, the reality of eternity. Although Billy Graham may no longer preach from the stadiums of the world, in this book you will sense his heart still beats strong with the resounding assurance that he will spend eternity with Jesus Christ, the Savior of the world. In *Where I Am*, Mr. Graham invites and strongly encourages all of us to contemplate our eternal hope. When asked, "Where is Heaven?" Mr. Graham has wisely replied, "Heaven is where Jesus Christ is, and I'm going to Him soon." The greatest promise ever given to the human race came from the lips of our Redeemer when Jesus said, "Let not your heart be troubled; you believe in God, believe also in Me...I go to prepare a place for you...I will come again and receive you to Myself; that where I am, there you may be also" (John 14:1-3). Just after his ninety-fifth birthday, Mr. Graham proclaimed with resolve, "When I die, tell others that I've gone to my Lord and Savior Jesus Christ—that's where I am." Flap Copy: As our nation and world travail in the midst of political, economic, and cultural uncertainties, we can find comfort in the hope that comes from the unchanging truth of God's Word. Whether talking with a US president, a world leader, or the common man or being interviewed on network television, Billy Graham has always begun his answers with "The Bible says..." In *Where I Am*, Mr. Graham shares what the Bible has to say about eternity from all of its sixty-six books; messages of truth, warning, love, and the certainty of the future, all gleaned by a man who would like to be remembered solely as a preacher of the Gospel of Jesus Christ. Each short chapter examines the reality that each of us chooses where to spend life after death: Heaven or Hell. From the Old Testament writer who composed "Show me Your ways, O Lord" (Psalm 25:4) to the New Testament writer who penned the words of Jesus, "Whoever believes in [Me] should not perish" (John 3:16),

there is hope for anyone who puts his or her faith and trust in the One who gives us the promise, "Where I am, there you may be also" (14:3).

Refuge in Hell - Lemmert, Ronald, D. 2018-08-23

Without romanticizing the prisoners in his stories, the author—who served for many years as the Catholic chaplain at Sing Sing prison—humanizes them, offers a compelling picture of the reality of an oppressive criminal justice system, and describes the challenge and joy of proclaiming the gospel in such an environment.

Bill & Ted Go to Hell #2 - Brian Joines 2016-03-23

With our heroes facing their worst nightmares, Lincoln finally gets his chance to take down John Wilkes Booth!

Enterprising high-school students Bill and Ted embark on their second wacky adventure through time

Demon Theory - Stephen Graham Jones 2007-07-24

Written as a literary film treatment littered with footnotes like bread crumbs, "Demon Theory" is even parts camp and terror, combining glib dialogue, fascinating pop culture references, and an intricate subtext as it pursues the events of a haunting movie trilogy too real to dismiss.

Forgotten Home - Erica Schultz 2022-05-03

While investigating a series of child abductions in Montana, the case gets personal for Sheriff's Deputy Lorraine Adalet when her teenage daughter, Joanna, disappears with a friend. Following the clues of otherworldly evidence leads Lorraine back to her long abandoned homeworld of Jannada. Mired in a never-ending war she escaped long ago, Lorraine had hoped to protect Joanna from her own past. Once in Jannada, she attempts a rescue mission to bring Joanna and the rest of the kidnapped children back to Earth; however, it's not without resistance. Lorraine must confront her past with the evil Jannadan Queen and everyone else she abandoned all those years ago...not to mention an entire army of magic-wielding children! Meanwhile, Joanna's allegiance hangs in the balance in this tale of family and fate. Collects *Forgotten Home* from the ComiXology original digital series, in print for the first time!

Bill & Ted Save the Universe - Brian Joines 2019-01-08

The wacky time traveling rockers from the cult '80s movie are back in an all-new adventure, moving through the galaxy to rescue their families. They've conquered time. They've escaped Hell. But this time, Bill and Ted will have to put their most excellent heads together to survive an all-new adventure spanning the entire universe. Whoa! It all starts when the Wyld Stallyns are kidnapped by a bodacious alien and get handed over to their...long lost family? WHOA! The adventures continue as writer Brian Joines and artist Bachan, the non-non-non-heinous duo behind *Bill & Ted Go to Hell*, serve up a stellar saga of totally bogus and most triumphant in *Bill & Ted Save the Universe*.

Heaven is for Real - Todd Burpo 2011

Why should we care about heaven? -- What is heaven like? -- When does a person go to heaven? -- Where is heaven? -- Who goes to heaven?

Welcome to Hell World - Luke O'Neil 2019-10-01

When Luke O'Neil isn't angry, he's asleep. When he's awake, he gives vent to some of the most heartfelt, political and anger-fueled prose to power its way to the public sphere since Hunter S. Thompson smashed a typewriter's keys. *Welcome to Hell World* is an unexpurgated selection of Luke O'Neil's finest rants, near-poetic rhapsodies, and investigatory journalism. Racism, sexism, immigration, unemployment, Marcus Aurelius, opioid addiction, Iraq: all are processed through the O'Neil grinder. He details failings in his own life and in those he observes around him: and the result is a book that is at once intensely confessional and an energetic, unforgettable condemnation of American mores. *Welcome to Hell World* is, in the author's words, a "fever dream nightmare of reporting and personal essays from one of the lowest periods in our country in recent memory." It is also a burning example of some of the best writing you're likely to read anywhere.

The Great Monster Magazines - Robert Michael "Bobb" Cotter 2019-04-02

This is a critical overview of monster magazines from the 1950s through the 1970s. "Monster magazine" is a blanket term to describe both magazines that focus primarily on popular horror movies and magazines

that contain stories featuring monsters, both of which are illustrated in comic book style and printed in black and white. The book describes the rise and fall of these magazines, examining the contributions of Marvel Comics and several other well-known companies, as well as evaluating the effect of the Comics Code Authority on both present and future efforts in the field. It identifies several sub-genres, including monster movies, zombies, vampires, sword-and-sorcery, and pulp-style fiction. The work includes several indexes and technical credits.

Factfulness - Hans Rosling 2018-04-03

INSTANT NEW YORK TIMES BESTSELLER "One of the most important books I've ever read—an indispensable guide to thinking clearly about the world." - Bill Gates "Hans Rosling tells the story of 'the secret silent miracle of human progress' as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly." —Melinda Gates "Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases." - Former U.S. President Barack Obama Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world's population live in poverty; why the world's population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don't know what we don't know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn't mean there aren't real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, Factfulness is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- "This book is my last battle in my life-long mission to fight devastating ignorance...Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn't enough. But I hope this book will be." Hans Rosling, February 2017.

Freedom - Roy A. Rogers 2017-03-24

All Dan wanted was to celebrate his anniversary in the beautiful Freedom Hotel with Judith, his loving wife of 13 years. Yet from the moment they entered the lobby Dan recognized that something was different. They had celebrated their anniversary there only three years earlier, and now it seemed the hotel he loved was pushing him away, telling him to leave while he still could. Dan didn't listen. Then the hallucinations began, if they were hallucinations. Taunting, tormenting, chasing his sanity and causing him to remember things he didn't want to remember and perhaps do things he didn't want to do. As from a siren of a forgotten life Dan was being dragged down into a world he could not see, by a Melody so strong he could not pull away. Was his future already formed for him by this past he could not remember? Would Dan be able to escape before he was pulled down for good? Even if he found the answers, would Danny ever be allowed his Freedom?

Don Rumsfeld and Dick Cheney in Hell - Fred Stopsy 2007

Biloxi Blues - Neil Simon 1986

The second in Pulitzer Prize-winning playwright Neil Simon's trilogy which began with Brighton Beach Memoirs and concluded with Broadway Bound. When we last met Eugene Jerome, he was coping with adolescence in 1930's Brooklyn. Here, he is a young army recruit during WW II, going through basic training and learning about Life and Love with a capital 'L' along with some harsher lessons, while stationed at boot camp in Biloxi, Mississippi in 1943.

Mad as Hell - Dave Itzkoff 2014-02-18

The behind-the-scenes story of the making of the iconic movie Network, which transformed the way we think about television and the way television thinks about us "I'm mad as hell, and I'm not going to take this anymore!" Those words, spoken by an unhinged anchorman named Howard Beale, "the mad prophet of the airwaves," took America by storm in 1976, when Network became a sensation. With a superb cast (including Faye Dunaway, William Holden, Peter Finch, and Robert Duvall) directed by Sidney Lumet, the film won four Academy Awards and indelibly shaped how we think about corporate and media power. In Mad As Hell, Dave Itzkoff of The New York Times recounts the surprising and dramatic story of how Network made it to the screen. Such a movie rarely gets made any more—one man's vision of the world, independent of studio testing or market research. And that man was Paddy Chayefsky, the tough, driven, Oscar-winning screenwriter whose vision—outlandish for its time—is all too real today. Itzkoff uses interviews with the cast and crew, as well as Chayefsky's notes, letters, and drafts to re-create the action in front of and behind the camera at a time of swirling cultural turmoil. The result is a riveting account that enriches our appreciation of this prophetic and still-startling film. Itzkoff also speaks with today's leading broadcasters and filmmakers to assess Network's lasting impact on television and popular culture. They testify to the enduring genius of Paddy Chayefsky, who foresaw the future and whose life offers an unforgettable lesson about the true cost of self-expression.

Frame by Frame II - Phyllis Rauch Klotman 1997

Frame by Frame II is a major reference guide on African American film professionals. It recognizes African Americans who have contributed their talents to a film industry that has scarcely recognized them. The editors acknowledge those independents who have rejected Hollywood values and set out on their own paths. This volume builds on the earlier Frame by Frame, which included productions through 1978. In order to assure that the 1978 entries are complete, that year is included in this edition.

23 Minutes in Hell - Bill Wiese 2017-05-02

New York Times Best Seller and Over 1 million copies sold! Over 750 5-Star reviews Wiese's visit to the devil's lair lasted just twenty-three minutes, but he returned with vivid details etched in his memory, capturing the attention of national media, including the Christian Broadcasting Network, Daystar Television Network, Trinity Broadcasting Network, the Miracle Channel, Sid Roth's It's Supernatural!, Sean Hannity's America, Charisma News, and many others. Awaken to the realities of hell, the afterlife and the urgency to live for Christ in your short time here on earth.. Bill Wiese experienced something so horrifying it continues to captivate the world. He saw the searing flames of hell, felt total isolation, smelled the putrid and rotting stench, heard deafening screams of agony, and experienced terrorizing demons. Finally the strong hand of God lifted him out of the pit. This expanded anniversary edition includes more than 150 Bible verses referencing hell for further study. Also included is the new section, "Wrestling With the Big Questions" where Bill answers these and many others questions: Why do some people who have a near-death experience see a bright light? Will those who never heard about Jesus go to hell? Is hell eternal, or are those in hell simply annihilated?
