Herstory - Katherine Halligan
2018-09-11
Move aside history—it's time for herstory. Celebrate fifty inspiring and powerful women who changed the world and left their mark in this lavishly illustrated biography compilation that's perfect for fans of Good Night Stories for Rebel Girls and She Persisted. Throughout history, girls have often been discussed in terms

of what they couldn't or shouldn't do. Not anymore. It's time for herstory—a celebration of not only what girls can do, but the remarkable things women have already accomplished, even when others tried to stop them. In this uplifting and inspiring book, follow the stories of fifty powerhouse women from around the world and across time who each managed to

change the world as they knew it forever. Telling the stories of their childhood, the challenges they faced, and the impact of their achievements, each lavishly illustrated spread is a celebration of girl power in its many forms. From astronauts to activists, musicians to mathematicians, these women are sure to motivate young readers of all backgrounds to focus not on the can'ts and shouldn'ts, but on what they can do: anything!

The Great Book of Badass Women - Rachel Walsh 2020-08-31

There have been countless badass women who have changed the world for the better, yet most people have never even heard of them. Women throughout history have fought for their rights and the rights of others, defended their countries during wartime, healed the sick and the

wounded, invented new technologies, led countries, made inspiring art... and so much more! This collection of biographies and quick trivia facts aims to tell the stories of the courageous and tenacious women who have paved the way for the women of the future. In *The Great Book of Badass Women*, you'll get to know: ?Ching Shih: from Prostitute to Pirate Queen ?Ruth Bader Ginsburg: Notorious Supreme Court Justice ?Frida Kahlo: Trailblazer, Artist, Icon ?The Mirabal Sisters: Revolutionaries and Martyrs ?Hedy Lamarr: Inventor and Beauty Queen There have been so many badass women in history, that it was nearly impossible to choose only 15 of them. Women have been badass because they have to be, and they'll continue to fight for their rights until they have them. Although women- especially women of color- have largely been excluded from our history books, these unsung heroes have always been there, kicking ass. By telling their

stories, we preserve their legacies and inspire others to follow in their footsteps. These are just a few of those heroes in *The Great Book of Badass Women*, but many women are heroes every day, and we will probably never know most of their names. Grab a copy now and get ready to learn about them all!

[Sonia Sotomayor](#) - Jonah
Winter 2011-06-07

The inspiring and timely story

of Sonia Sotomayor, who rose up from a childhood of poverty and prejudice to become the first Latino to be nominated to the US Supreme Court. Before Supreme Court Justice Sonia Sotomayor took her seat in our nation's highest court, she was just a little girl in the South Bronx. Justice Sotomayor didn't have a lot growing up, but she had what she needed -- her mother's love, a will to learn, and her own determination. With bravery she became the person she wanted to be. With hard work she succeeded. With little sunlight and only a modest plot from which to grow, Justice Sotomayor bloomed for the whole world to see. Antes de que la magistrada de la Corte Suprema Sonia Sotomayor llegara al máximo tribunal de nuestra nación, no era más que una niña en el South Bronx. La magistrada Sotomayor no tuvo mucho durante sus primeros años, pero sí tuvo lo que contaba -- el amor de su madre, la voluntad de aprender y su propia determinación. Con valentía se hizo la persona que

quería ser. Con trabajo arduo triunfó. Con un poquito de sol en un solarcito donde crecer, la magistrada Sotomayor floreció para que todo el mundo la vea.

Dear Vampa - Ross Collins
2009-08-25

The Pires are cursed with new neighbors. Things were just fine on Nostfer Avenue until the Wolfsons arrived. There seems to be no end to the new family's strange rituals. They stay up all day long, lock their windows at night, and bathe—in sunshine. What's a nice vampire family to do? Ross Collins has created an ironic, laugh-out-loud story that invites you to think about accepting others—perhaps your neighbors are less different than you think.

Grandad Mandela - Ambassador Zindzi Mandela 2018-06-28
"...profoundly moving..." - Publishers Weekly Nelson Mandela's two great-grandchildren ask their grandmother, Mandela's youngest daughter, 15 questions about their grandad - the global icon of peace and forgiveness who spent 27 years in prison. They learn that he was a freedom fighter who put

down his weapons for the sake of peace, and who then became the President of South Africa and a Nobel Peace Prize-winner, and realise that they can continue his legacy in the world today. Seen through a child's perspective, and authored jointly by Nelson Mandela's great-grandchildren and daughter, this amazing story is told as never before to celebrate what would have been Nelson's Mandela 100th birthday.

Rebel Voices - Louise Kay Stewart 2018-10-02

A timely, beautiful and bold compendium of women around the world who said 'time's up?' on inequality. Rule Breakers. Risk Takers. Rebel Women. Law Makers. This book is a celebration of women standing up, speaking out, and sticking together to battle inequality and win the vote. In January 2017, more than 3 million women around the world marched, demanding their voices be heard and their rights defended. Rebel Voices is a book about historical events, but truly for our times.

It features the brave campaigners who fought for women's right to vote. Discover that it was never illegal for women to vote in Ecuador, or how 40,000 Russian women marched through St. Petersburg demanding their rights. Find out how one Canadian woman changed opinions with a play, and Kuwaiti women protested via text message. And learn that women climbed mountains, walked a lion through the streets of Paris, and starved themselves, all in the name of having a voice. Tracing its history from New Zealand at the end of the 19th century, follow this empowering movement as it spread from Oceania to Europe and the Americas, then Africa and Asia up to the present day. Meet the women who rioted, rallied and refused to give up. Stunningly illustrated by Eve Lloyd Knight, this book celebrates the women who refused to behave, rebelling against convention to give women everywhere a voice. If you loved Goodnight Stories for

[Shark Lady](#) - Jess Keating
2017-06-06

One of New York Times'

Twelve Books for Feminist Boys and Girls! This is the story of a woman who dared to dive, defy, discover, and inspire. This is the story of Shark Lady. One of the best science picture books for children, Shark Lady is a must for both teachers and parents alike! An Amazon Best Book of the Month Named a Best Children's Book of 2017 by Parents magazine Eugenie Clark fell in love with sharks from the first moment she saw them at the aquarium. She couldn't imagine anything more exciting than studying these graceful creatures. But Eugenie quickly discovered that many people believed sharks to be ugly and scary—and they didn't think women should be scientists. Determined to prove them wrong, Eugenie devoted her life to learning about sharks. After earning several college degrees and making countless discoveries, Eugenie wrote herself into the history of science, earning the nickname "Shark Lady." Through her accomplishments, she taught

the world that sharks were to be admired rather than feared and that women can do anything they set their minds to. An inspiring story by critically acclaimed zoologist Jess Keating about finding the strength to discover truths that others aren't daring enough to see. Includes a timeline of Eugenie's life and many fantastic shark facts! Recycle and Remake - DK
2020-03-31

Kids are on a mission to save the Earth! *Recycle and Remake* is the hands-on, practical guide you need to get started. This gentle, but empowering book is full of creative making activities, information, and ideas that give young eco-warriors (like you!) the know-how to really help the environment. With *Recycle and Remake*, you will soon be saving trees by making your own seeded recycled paper from junk mail, cleaning up the oceans by turning old carrier bags into kites, friendship bracelets, and colorful weaved baskets and repurposing a cardboard box into a periscope.

You'll also learn about sustainable energies by creating a simple solar oven, cutting down on cling-film by making a food wrap from scrap cotton and beeswax, and turning an old t-shirt into a reusable tote bag so you never need to buy a plastic carrier bag again. You can even grow new plants to clean the air in your own upcycled milk bottle planters and using homemade compost. Each of the activities directly relates to an environmental hot topic, such as plastic pollution, food waste, or deforestation. Budding environmentalists all over the world are feeling inspired to do their bit for our unique planet.
