Ten Years a Nomad - Matthew Kepnes 2019-07-16

Part memoir and part philosophical look at why we travel, filled with stories of Matt Kepnes' adventures

abroad, an exploration of wanderlust and what it truly means to be a nomad. "Matt is possibly the most well-traveled person I know... His knowledge and passion for understanding the world is unrivaled, and never fails to amaze me." —Mark Manson, New York Times bestselling author of The Subtle Art of Not Giving a F*ck Ten Years a Nomad is New York Times bestselling author Matt Kepnes' poignant exploration of wanderlust and what it truly means to be a nomad. Part travel memoir and part philosophical look at why we travel, it is filled with aspirational stories of Kepnes' many adventures. New York Times bestselling author of How to Travel the World on \$50 a Day, Matthew Kepnes knows what it feels like to get the travel bug. After meeting some travelers on a trip to Thailand in 2005, he realized that living life meant more than simply meeting society's traditional milestones, such as buying a car, paying a mortgage, and moving up the career ladder. Inspired by them, he set off for a year-long trip around the world before he started his career. He finally came home after ten years. Over 500,000 miles, 1,000 hostels, and 90 different countries later, Matt has compiled his favorite stories, experiences, and insights into this travel manifesto. Filled with the color and perspective that only hindsight and self-reflection can offer, these stories get to the real questions at the heart of wanderlust. Travel questions that transcend the basic "how-to," and plumb the depths of what drives us to travel — and what extended travel around the world can teach us about life, ourselves, and our place in the world. Ten Years a Nomad is for travel junkies, the travel-curious, and anyone interested in what you can learn about the world when you don't have a cable bill for a decade or spend a month not wearing shoes living on the beach in Thailand.

The Negro Motorist Green Book - Victor H. Green

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

[Around the World in 50 Years](#) - Albert Podell 2015-03-24

This is the inspiring story of an ordinary guy who achieved two great goals that others had told him were impossible. First, he set a record for the longest automobile journey ever made around the world, during the course of which he blasted his way out of minefields, survived a breakdown atop the Peak of Death, came within seconds of being lynched in Pakistan, and lost three of the five men who started with him, two to disease, one to the Vietcong. After that—although it took him forty-seven more years—Albert Podell set another record by going to every country on Earth. He achieved this by surviving riots, revolutions, civil wars, trigger-happy child soldiers, voodoo priests, robbers, pickpockets, corrupt cops, and Cape buffalo. He went around, under, or through every kind of earthquake, cyclone, tsunami, volcanic eruption, snowstorm, and sandstorm that nature threw at him. He ate everything from old camel meat and rats to dung beetles and the brain of a live monkey. And he overcame attacks by crocodiles, hippos, anacondas, giant leeches, flying crabs—and several beautiful girlfriends who insisted that he stop this nonsense and marry them. Albert Podell's *Around the World in 50 Years* is a remarkable and meaningful tale of quiet courage, dogged persistence, undying determination, and an uncanny ability to extricate himself from one perilous situation after another—and return with some of the most memorable, frightening, and hilarious adventure stories you have ever read.

[Conquering Mountains: How to Solo Travel the World Fearlessly](#) - Matthew Kepnes 2018-06-06

Do you dream of far off places, new sights, smells, tastes, and adventures? Have you been planning the trip of a lifetime but, after asking your partner, sister, best friend, cousin, and/or old high school classmate you barely speak with anymore, found that nobody can take off on a trip with you? Do you worry about how you'll afford it, that you'll be lonely, and most of all, how you'll make sure that you're safe? I found myself in the same position in 2012, searching for answers but coming up confused and empty-handed. I just wanted someone to make it all easy for me. I wanted to know that I was going to be okay. I started out as a normal girl without a trust fund and full of fears, but through traveling I learned that I'm brave, powerful, capable, and strong. You can find the same girl within you. This book was written to help you do just that. This is THE time and sanity-saving resource I wish existed before I started traveling. Inside is absolutely everything I know about solo travel, plus insight from all of the solo female travelers who had helped me along the way with their solid advice and tips.

[Far and Away](#) - Andrew Solomon 2016-04-19

From the winner of the National Book Award and the National Books Critics' Circle Award—and one of the most original thinkers of our time—“Andrew Solomon's magisterial *Far and Away* collects a quarter-century of soul-shaking essays” (Vanity Fair). *Far and Away* chronicles Andrew Solomon's writings about places undergoing seismic shifts—political, cultural, and spiritual. From his stint on the barricades in Moscow in 1991, when he joined artists in resisting the coup whose failure ended the Soviet Union, his 2002 account of the rebirth of culture in Afghanistan following the fall of the Taliban, his insightful appraisal of a Myanmar seeped in contradictions as it slowly, fitfully pushes toward freedom, and many other stories of profound upheaval, this book provides a unique window onto the very idea of social change. With his signature brilliance and compassion, Solomon demonstrates both how history is altered by individuals, and how personal identities are altered when governments alter. A journalist and essayist of remarkable perception and prescience, Solomon captures the essence of these cultures. Ranging across seven continents and twenty-five years, these “meaty dispatches...are brilliant geopolitical travelogues that also comprise a very personal and reflective resume of the National Book Award winner's globe-trotting adventures” (Elle). *Far and Away* takes a magnificent journey into the heart of extraordinarily diverse experiences: “You will not only know the world better after having seen it through Solomon's eyes, you will also care about it more” (Elizabeth Gilbert).

[Rediscovering Travel: A Guide for the Globally Curious](#) - Seth Kugel 2018-11-13

A revolutionary philosophy for rookie and veteran travelers alike, *Rediscovering Travel* “gets to the heart of why we travel” (Matt Kepnes, “Nomadic Matt”). Having captivated millions during his tenure as the New York Times's “Frugal Traveler,” Seth Kugel is one of our most internationally beloved travel writers. With the initial publication of *Rediscovering Travel*, he took the corporate modern travel industry to task,

determined to reignite an age-old sense of adventure that has virtually been vanquished by the spontaneity-obliterating likes of Google Maps, TripAdvisor, and Starwood points. Now in travel-friendly paperback, this “funny, inspiring and well-crafted” companion (Associated Press) reveals how to make the most of new apps and other digital technologies without being shackled to them. Writing for the tight-belted tourists and the first-class flyer, the eager student and the comfort-seeking retiree, Kugel shows all readers “not only where to look, but how” (Samantha Brown), and promises that we too can rediscover the joy of discovery. “Travel is not about the destination but the experience. . . . That's what makes [it] so appealing, so addictive, and that's what makes *Rediscovering Travel* so necessary.” — Peter Greenberg

If you think that you are too young or too old, or that you do not have enough funds to support world travel, I'm here to share with you the way I did it. I'm just a regular person, like yourself, who was laid off after working at a large financial firm in the US for 11 years. I felt lost. I always wanted to travel the world, but I didn't think I could afford it. However, I was determined to crack the code because the alternative was not an option: I did not want to go back to the corporate world and wanted to live life on my own terms. I set a timetable, but I had no idea what my steps needed to be in order to accomplish my goal of traveling full time. I worked incredibly hard to figure those steps out and I'm sharing them in this book so that more people can feel that sense of freedom I did when I took that taxicab to the airport on my way to my year off—the first of many. In this book, you'll learn the exact steps I took and in the chronological order I took them. This removes guesswork from the equation. Among so many other valuable lessons, you'll learn: -To identify your passions, which will not only accompany you in your travels but will also be your main source of income while on the road.-High level money and investment basics to help you make better financial decisions.-All the not-so-glamorous details about planning a gap year that nobody talks about, such as creating a living will, designing an exit strategy, enrolling in travel medical insurance, vaccines, and more.-About major organizations that connect travelers with hosts or business owners in exchange of part time volunteer work for room and board.

[Take More Vacations](#) - Scott Keyes 2021-05-11

What's stopping us all from traveling more? The confusion of buying airfare—not knowing when to book, where to buy, or what to pay. *Take More Vacations* is the guidebook for anyone hoping to turn one annual vacation into three. Readers will discover why the traditional way of planning vacations undercuts our ability to enjoy them, and how a new strategy can lead to cheaper fares and more trips. In this extraordinary book, Ram Nidumolu uses evocative parables and stories from the ancient Indian wisdom texts, the Upanishads, to introduce Being-centered leadership. This new kind of leadership is anchored in the concept of Being, the fundamental reality that underlies all phenomena. Being-centered leaders are guided by an innate sense of interconnection—the good of the whole becomes an integral part of their decisions and actions. Using the experiences of over twenty trailblazing CEOs, as well as those from his own life, Nidumolu describes a four-stage road map every aspiring leader can use to reconnect business to the wider world—to the benefit of all.

Destination Earth - Nicos Hadjicostis 2016-06-08

Travel is the departure from one's little pond. It is the bold renouncement of the petty comforts that hold us prisoner. It is a movement away from the known towards the unknown and unimaginable. Travel is expansion, widening, opening-up. After years as a media executive, Nicos Hadjicostis abandoned the business world and set his sights on a larger and more fulfilling goal: to explore our planet as if it were one huge country, a single destination. Starting from New York and traveling west for six-and-a-half-years, the author visited six continents and seventy countries delving deep into their peoples, cultures and natural wonders. Destination Earth is the result of this life-transforming journey. While many travelers today concern themselves with destinations solely for amusement, relaxation, and entertainment, the author proposes a more meaningful, rewarding, and fulfilling way of viewing Travel and its relation to Life. Enriched with travel incidents and some of the author's best travel photos, Destination Earth sheds light on both Travel and Life. Ideas and experiences are interwoven into a newly created Philosophy of Travel that is practical and easy to read. *January 2019 Now in a new edition!*
