[The Happiest Kids in the World](#) - Rina Mae Acosta 2017-04-04

Discover how Dutch parents raise The Happiest Kids in the World! Calling all stressed-out parents: Relax! Imagine a place where young children play unsupervised, don't do homework, have few scheduled "activities" . . . and rank #1 worldwide in happiness and education. It's not a fantasy—it's the Netherlands! Rina Mae Acosta and Michele Hutchison—an American and a Brit, both married to Dutchmen and raising their kids in the Netherlands—report back on what makes Dutch kids so happy and well adjusted. Is it that dads take workdays off to help out? Chocolate sprinkles for breakfast? Bicycling everywhere? Whatever the secret, entire Dutch families reap the benefits, from babies (who sleep 15 hours a day) to parents (who enjoy a work-life balance most Americans only dream of). As Acosta and Hutchison borrow ever-more wisdom from their Dutch neighbors, this much becomes clear: Sometimes the best thing we can do as parents is . . . less!

Babar's Guide to Paris - Laurent De Brunhoff 2017-03-14

Babar the elephant, one of the most beloved and classic characters in children's literature, showcases his favorite parts of the City of Lights in this memorable trip to Paris, France. Laurent de Brunhoff's Paris is filled with charming elephants on every page as they enjoy all the sights and sounds of one of Europe's most popular cities. This all-new full-color picture book, rendered in beautiful watercolors, evokes the classic feel of the bestselling "Babar's Museum of Art," and it will become a must-have read for fans of Babar, those planning a family trip to Paris, and anyone new to the wondrous world of Babar. When Babar's youngest daughter, Isabelle, heads to Paris on her own for the first time, he tells her how to enjoy the iconic city to the fullest. An expert Francophile, Babar recommends food, including cafes, street markets, and brasseries; he also offers the best sightseeing tips, especially observing the Eiffel Tower from every angle, walking along the banks of the Seine, visiting the Louvre and Orangerie museums, and exploring the Luxembourg Gardens. There's even a postcard-perfect opening scene that features the Babar family visiting the Notre Dame Cathedral on a previous vacation. Babar also gives local advice. He tells Isabelle how apartment buildings work, why an elephant may be surprised by the size of an elevator, how to take the metro, how to find a restaurant to call your own, and to walk walk as much as possible to see everything that Paris has to offer. In the end, Isabelle is encouraged to enjoy her travels, but she is also lovingly reminded to always come home to Celesteville and her family. Like other classic children's books featuring international adventures, including "Madeline in London" and "Eloise in Paris," readers will be eager to take the trip to Paris with Babar. "

Stuff Parisians Like - Olivier Magny 2011-07-05

In the tradition of the New York Times bestseller *Stuff White People Like*, a tongue-in-cheek homage to Parisians. To be mistaken for a Parisian, readers must buy the newspaper *Le Monde*, fold it, and walk. Then sit at a café and make phone calls. Be sure to order San Pellegrino, not any other kind of fizzy water. They shouldn’t be surprised when a waiter brings out two spoons after they order *le moelleux au chocolat*- it is understood that the dessert is too sinfully delicious not to share. Go to l’île Saint-Louis-all Parisians are irredeemably in love with that island. Feel free to boldly cross the street whenever the impulse strikes-pedestrian crosswalks are too dangerous. If they take a cruise on the Seine, they will want to stand outside, preferably with their collar popped up. If they want to decorate, may we suggest the photographs of Robert Doisneau? To truly be cool in Paris, own an iPhone, wear Converse sneakers, and order sushi. And as they stroll through the Luxembourg Gardens, remember-they can’t go wrong wearing black.

Where Is the Eiffel Tower? - Dina Anastasio 2017-05-16

Learn about the Eiffel Tower, beloved and iconic symbol of Paris, France, and one of the most recognizable structures in the world! When the plans for the Eiffel Tower were first announced, many people hated the design of the future landmark, calling it ungainly and out of step with the beautiful stone buildings of the city. But once it went up for the World’s Fair in 1889, the people of Paris quickly fell in love with the tower. Today it seems impossible to imagine Paris without the Eiffel Tower, which greets millions of visitors each year who climb up its wrought-iron stairs, ride its glass elevators, and enjoy the wonderful views of the city spread out below it. This book, part of the New York Times best-selling series, is enhanced by eighty illustrations.

Kids' Travel Guide - Paris Museums - Shira Halperin 2014-06-25

If you are interested in this book, you're probably planning a family trip to Paris. Whether you are a museum lover or not, you may be wondering whether to include museum visits in this trip or wait until the kids are older. If you have decided to include museums in your trip - or if you are still debating - this is the book for you! Paris is known for its famous museums and they are a must-see, even for those who don't habitually visit museums. With the right support, children can get a lot out of visiting these museums, too. However, the reality is that it can be a struggle to convince your kids to go to museums with you. And when kids do go, their impatience can keep parents from enjoying the visit. Often, children are unfamiliar with and don't understand what they are seeing - causing everyone's frustration to grow. That's where the "Kids' Travel Guide - Paris Museums" comes in. It will introduce your children to the world of museums and art. Leonardo, their very own guide, will give them interesting facts and fun tasks and quizzes related to four main art museums and the children's science museum. Kids will learn the basics of painting and different

art styles, as well as how to play the museum game. The "Kids' Travel Guide - Paris Museums" is designed to encourage your children to experiment, be active, and of course, internalize information and experiences during the trip and afterward. Maybe you, the parents, will learn something too. Additionally, the book includes Summary pages (with questions that encourage kids to write their impressions of the museums), a Most Beautiful Piece of Art competition, and more. You may also be interested in the "Kids' Travel Guide - France" and the "Kids' Travel Guide - Paris". And a special edition is available that contains both the France and Paris guides, plus this Paris Museum guide, all in one. The "Kids Travel Guide - France" focuses on basic background information about France: its geography, flags and symbols, and interesting history. It also helps kids get to know the French culture, including customs, language, and even food. Don't worry ... Leonardo delivers all this information in a very interesting and colorful way - through special graphic design, activities, fun facts, and tasks. The "Kids' Travel Guide - Paris" focuses on top attractions for kids in the City of Lights. Leonardo introduces the kids to each site, engages them with fun facts, gives them tips and quizzes, and challenges them with tasks and activities. Get the most out of your family travel! More from FlyingKids: * FlyingKids Website - www.theflyingkids.com - your one-stop shop website for family travels and vacations: useful information, parents' forums, blogs, tips, ideas and more. * Parents' Travel Guides - the special series for parents! "Parents' Travel Guide - Paris" will help you plan your trip. This book covers everything, including how to make hotel reservations, how and what to pack for the family vacation, and how to handle different situations once you arrive. The "Parents' Travel Guide - Paris" also provides seven daily routes in Paris. You will get everything you need for each day: a daily map with directions, information on what to expect and how to get around, and even suggestions for what to teach the kids about the attractions.

Weigand is an experienced television engineer and an accomplished photographer who has teamed his skills with Penelope Dyan to create several wonderful books, all of which you and your child are certain to enjoy, books meant for kids that look great on your coffee table. Penelope Dyan is a former K-12 teacher, published in The Kindergartner, as well as in Instructor Magazine and in Humpty Dumpty children's magazine. Dyan is the author of Surfer Girl. Surfer Girl was the winner of best teen book at both the 2008 New York Book Festival and the 2008 Hollywood Book Festival and is recognized by Girls Voices In Literature Database, Miami University, Florida. Dyan and Weigand are also the co-creators of The Comeback Kids Book Series and the Animal Rescue Series, also published by Bellissima Publishing, LLC. Two of Dyan's books (poetry-stories for children in verse) are on display and are a part of the Saison Poetry Library in London, UK, chosen by the UK Arts Council. Two of her other books are listed on the top ten AU Pukeke reading list. And her book "There's an Alligator In My Closet" is number five on the National Kindercare recommended reading list. There is a music video on YouTube on the Bellissimavideo channel devoted to Paris, and an entire web show for kids that includes an entire travelogue of this city at www.stop4fun.org that add to the overall learning experience.

[Five Days in Paris](#) - Danielle Steel 2009-02-25

In Danielle Steel's beloved #1 New York Times bestselling novel, two strangers meet unexpectedly and fall in love in the City of Light. As president of a major pharmaceutical empire, Peter Haskell has everything: power, position, and a family that means everything to him. Compromise has been key in Peter Haskell's life, and integrity is the base on which he lives. Olivia Thatcher is the wife of a famous senator. She has given to her husband's ambition and career until her soul is bone-dry. She is trapped in a web of duty and obligation, married to a man she once loved and no longer even knows. Accidentally, they meet in Paris. Their totally different lives converge for one magical moment in the Place Vendôme, as Olivia carefully,

silently, steps out of her life and walks away. Peter follows her, and in a café in Montmartre, their hearts are laid bare. Peter, once so certain of his path, is suddenly faced with a professional future in jeopardy. Olivia is no longer sure of anything except that she can't go on anymore. Five days in Paris is all they have. They go back to their separate lives, but nothing is the same. Everything they believe is put on the line, until they each realize they must stand fast against compromise and face life's challenges head-on. Danielle Steel's classic novel is about honor and commitment, love and integrity—and the strength to find hope again. Five Days in Paris will change your life forever. BONUS: This edition contains an excerpt from Danielle Steel's Hotel Vendome.
