The Passover Haggadah - Vanessa L. Ochs 2020-03-17

The life and times of a treasured book read by generations of Jewish families at the seder table Every year at Passover, Jews around the world gather for the seder, a festive meal where family and friends come together to sing, pray, and enjoy traditional food while retelling the biblical story of the Exodus. The Passover Haggadah provides the script for the meal and is a religious text unlike any other. It is the only sacred book available in so many varieties—from the Maxwell House edition of the 1930s to the countercultural Freedom Seder—and it is the rare liturgical work that allows people with limited knowledge to conduct a complex religious service. The Haggadah is also the only religious book given away for free at grocery stores as a promotion. Vanessa Ochs tells the story of this beloved book, from its emergence in antiquity as an oral practice to its vibrant proliferation today. Ochs provides a lively and incisive account of how the foundational Jewish narrative of liberation is remembered in the Haggadah. She discusses the book's origins in biblical and rabbinical literature, its flourishing in illuminated manuscripts in the medieval period, and its mass production with the advent of the printing press. She looks at Haggadot created on the kibbutz, those reflecting the Holocaust, feminist and LGBTQ-themed Haggadot, and even one featuring a popular television show, *The Marvelous Mrs. Maisel*. Ochs shows how this enduring work of liturgy that once served to transmit Jewish identity in Jewish settings continues to be reinterpreted and reimagined to share the message of freedom for all.

Animation: A World History - Giannalberto Bendazzi 2015-11-06

A continuation of 1994's groundbreaking *Cartoons*, Giannalberto Bendazzi's *Animation: A World History* is the largest, deepest, most comprehensive text of its kind, based on the idea that animation is an art form that deserves its own place in scholarship. Bendazzi delves beyond just Disney, offering readers glimpses into the animation of Russia, Africa, Latin America, and other often-neglected areas and introducing over fifty previously undiscovered artists. Full of first-hand, never before investigated, and elsewhere unavailable information, *Animation: A World History* encompasses the history of animation production on every continent over the span of three centuries. Volume III catches you up to speed on the state of animation from 1991 to present. Although characterized by such trends as economic globalization, the expansion of television series, emerging markets in countries like China and India,

and the consolidation of elitist auteur animation, the story of contemporary animation is still open to interpretation. With an abundance of first-hand research and topics ranging from Nickelodeon and Pixar to modern Estonian animation, this book is the most complete record of modern animation on the market and is essential reading for all serious students of animation history. Key Features Over 200 high quality head shots and film stills to add visual reference to your research Detailed information on hundreds of never-before researched animators and films Coverage of animation from more than 90 countries and every major region of the world Chronological and geographical organization for quick access to the information you're looking for

Living a Jewish Life - Anita Diamant 1991

Jewish tradition is a gift and a challenge. "Living a Jewish Life" is your guide to the cultural and spiritual treasures of Judaism, explained in ways that address the choices posed by modern life. From hanging a mezuzah to celebrating a wedding, from lighting Sabbath candles to choosing a synagogue that's right for you and your family, you will find "why-to's" and "how-to's" in these pages, which are tuned to both the realities of the modern world and the timeless, grounding rhythms of Jewish tradition. Spanning the spectrum of liberal Jewish thought -- Conservative, Reconstructionist and Reform, unaffiliated, new age and secular -- this book provides a sensitive and practical introduction to making Judaism a meaningful part of your life. Filled with anecdotes, lore, memorable quotations, history, prayers and ceremonies, "Living a Jewish Life" celebrates the diversity, joy and fulfillment of Jewish life today. This book is filled with your Jewish choices.

Creative Approaches to Teaching Primary RE - Maggie Webster 2014-06-11

As an increasingly significant aspect of primary teaching, Creative Approaches to Teaching Primary RE is the essential companion to help bring creativity to life in the classroom. The text begins with a discussion of creative education and the value of Religious Education, moving on to reflect on the cross-curricular nature of the subject, exploring ways of introducing creativity to the classroom, through the medium of Religious Education. Each chapter provides ideas and activities demonstrating how pedagogy and theory can be applied in practice within a school setting. The inclusion of case studies will help you consider how to develop creative approaches in all curriculum areas. This book invites you to ask questions such as: · What is Creative Education? · Why should RE be included in the ever-changing curriculum? · How can I use Religious Education to generate a more creative environment in the classroom?

The Seder Masochism - Nina Paley 2018-12-05

In this companion book to her animated feature film, *Seder-Masochism*, Nina Paley invites the Great Mother to a stuffy American Passover Seder. The resulting radical feminist commentary is biting, but the real stars are the illustrations. Defying the Second Commandment, these graven images will entertain and delight idolaters, pagans, gentiles, and - who knows? - maybe even some Jews.

The Lonely Days Were Sundays - Eli N. Evans 1993

(In) a multi-layered book of great warmth and feeling, (Evans) reminds us anew of the Jewish southern inheritance, its ancient intensities and rhythms and heartbeats. This is a very southern book, and also an immensely American one (Willie Morris). The Jews of the South have found their poet laureate.--Abba Eban.

Faiths and Festivals - Christine Howard 2012-06-21

A must-have guide for early years practitioners designed to help explain world religions and festivals to young children in a way that is meaningful to them. This guide is designed to be a practical guide to explaining the main five world faiths to young children, as well some lesser-known faiths to young children in a way that makes sense to young children. The book is also full of activity ideas to tie in to a range of religious festivals throughout the year. Each festival contains background information on the festival and why it first started, as well as activities to encourage children's learning. Introducing young children is vital in our multi-cultural and multi-faith society, and this title will provide all early years practitioners with ideas on how to teach children to value diversity and respect other children's views and backgrounds.

How to Be a Jewish Parent - Anita Diamant 2007-08-07

How can I make the holidays interesting and meaningful to my child? Should I send my child to a Jewish day school? A Jewish summer camp? What kind of synagogue is best for my family? How do I plan a family trip to Israel or add Jewish heritage sites when traveling around the country or around the world? If you are, or hope to be, a Jewish parent in more than name, you have a lot of decisions to make. So many choices! But you can have no better guide to this wealth of opportunity than Anita Diamant. The author of popular books on Jewish weddings and baby rituals, Diamant now joins with family therapist Karen Kushner to help you through the next steps. They give creative, practical answers to these and many other questions, provide guidance on how to foster Jewish decision making for children of all ages, describe how to make your home a "Jewish space," and explain the importance of synagogue membership, holiday celebrations, community service, and other family activities. Diamant and Kushner draw from many sources to describe the practices, customs, and values that go into creating a Jewish home. They

combine insights from Jewish tradition with contemporary developmental thinking about how children learn and grow. They provide addresses (including Web sites) where you can find specific information and other resources. And since experience may be the best of all teachers, they share their own and other parents' stories and observations. For Diamant

and Kushner, the number-one goal of *How to Be a Jewish Parent* is to give parents (and grandparents) guideposts to raising joyful children within the rich tradition of the Jewish faith and culture. No Jewish family should be without it. From the Hardcover edition.
