*Multilingualism in European Bilingual Contexts* - David Lasagabaster 2007

Despite the spread of multilingualism, the number of research studies in multilingual contexts is scarce. This book deals with this question by examining would-be teachers' language use and attitudes, as their influence on future generations can be enormous. The use of the same questionnaire and the same methodology allows the reader to compare the results obtained in different European bilingual contexts, where the presence of diverse foreign languages leads to a situation in which several languages are in contact.

Art of Drawing the Human Body - Inc. Sterling Publishing Co. 2004

Offers a detailed study of the anatomical structure of the human body, and provides tips on motion, proportion, and shading the figures.

**Conversational Dutch Dialogues** - Lingo Mastery 2020-08-19

Is conversational Dutch turning a little too tricky for you? Do you have no

idea how to order a meal or book a room at a hotel? If your answer to any of the previous questions was 'Yes', then this book is for you! If there's even been something tougher than learning the grammar rules of a new language, it's finding the way to speak with other people in that tongue. Any student knows this - we can try our best at practicing, but you always want to avoid making embarrassing mistakes or not getting your message through correctly. 'How do I get out of this situation?' many students ask themselves, to no avail, but no answer is forthcoming. Until now. We have compiled MORE THAN ONE HUNDRED conversational Dutch stories for beginners along with their translations, allowing new Dutch speakers to have the necessary tools to begin studying how to set a meeting, rent a car or tell a doctor that they don't feel well. We're not wasting time here with conversations that don't go anywhere: if you want to know how to solve problems (while learning a ton of Dutch along the way, obviously), this book is for you! How Conversational Dutch Dialogues works: - Each new chapter will have a fresh, new story between two people who wish to solve a common, day-to-day issue that you will surely encounter in real life. - An Dutch version of the conversation will take place first, followed by an English translation. This ensures that you fully understood just what it was that they were saying. - Before and after the main section of the book, we shall provide you with an introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the absolute most out of this learning material. - That's about it! Simple, useful and incredibly helpful; you will NOT need another conversational Dutch book once you have begun reading and studying this one! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Conversational Dutch Dialogues and start learning Dutch right now!

*Higher Education Admissions Practices* - María Elena Oliveri 2020-01-30  
This book provides a path for resolving challenges related to access, diversity, equity, and other issues facing higher education admissions. It illuminates current higher education admissions practices in a global

context, highlighting common obstacles. The chapters outline decision-making models used in college admissions, details those assessments commonly employed in admissions, and provides innovative perspectives on the future of admissions. The book's multidisciplinary approach defines much-needed changes in admissions brought about by shifts in the makeup of student populations and in higher education itself. Rationales for moving away from traditional assessments used in admissions and expanding the criteria used to ensure a student's academic success are discussed. Readers will come away with an understanding of the current issues, philosophies, and historical circumstances facing higher education admissions across the globe and will be equipped to contemplate and react to future possibilities and opportunities.

**Contact! nieuw 1 (A1).** - 2019-02-04

**Multilingualism and Education** - Gail Prasad 2022-06-09

For decades, international researchers and educators have sought to understand how to address cultural and linguistic diversity in education. This book offers the keys to doing so: it brings together short biographies of thirty-six scholars, representing a wide range of universities and countries, to allow them to reflect on their own personal life paths, and how their individual life experiences have led to and informed their research. This approach highlights how theories and concepts have evolved in different contexts, while opening up pedagogical possibilities from diverse backgrounds and enriched by the life experiences of leading researchers in the field. Beyond these questions, the book also explores the dynamic relationships between languages, power and identities, as well as how these relationships raise broader societal issues that permeate both global and local language practices. It is essential reading for students, teacher educators, and researchers interested in the impact of multilingualism on education.

English in the Netherlands - Alison Edwards 2016-03-18

This volume provides the first comprehensive investigation of the Netherlands in the World Englishes paradigm. It explores the history of

English contact, the present spread of English and attitudes towards English in the Netherlands. It describes the development and analysis of the Corpus of Dutch English, the first Expanding Circle corpus based on the design of the International Corpus of English. In addition, it investigates the applicability of Schneider's (2003, 2007) Dynamic Model, concluding that this and other such models need to move away from a colonisation-driven approach and towards a globalisation-driven one to explain the continued spread and evolution of English today. The volume will be highly relevant to researchers interested in the status and use of English in the Netherlands. More broadly, it provides a timely contribution to the debate on the relevance of the World Englishes framework for non-native, non-postcolonial settings such as Continental Europe.

*Cruise* - Suzanne Vermeer 2014-05-13

When he disappears on a cruise, a woman discovers her husband's secret life in this international-bestselling thriller from a sensational Dutch author. Frank and Helen's anniversary cruise is going perfectly, until the unthinkable happens and Frank disappears. Helen does everything she can to find her husband, but is ultimately forced to return home, alone and distraught. After spending the next few months searching, Helen hears from someone who has news of her husband. But not the news she hoped for: Helen learns that Frank was leading a double life. It becomes increasingly apparent that the man she married had a dark side Helen could never have imagined. Suzanne Vermeer, the bestselling mystery writer in the Netherlands, spins this story with unparalleled suspense.

**Nederlands Voor Buitenlanders** - F. Montens 1992

**Ciencia e innovación docente en el aprendizaje de lenguas extranjeras** - María A. Borrueco Rosa 2018

**Basic Dutch: A Grammar and Workbook** - Jenneke A. Oosterhoff 2009-05-07

Basic Dutch: A Grammar and Workbook comprises an accessible reference grammar and related exercises in a single volume. This

Workbook presents twenty-five individual grammar points in realistic contexts, providing a grammatical approach which will allow students not already familiar with these structures to become accustomed to their use. Grammar points are followed by examples and exercises allowing students to reinforce and consolidate their learning. Suitable for class use or self-study, Basic Dutch introduces Dutch culture and people through the medium of the language used today, providing students with the basic tools to express themselves in a wide variety of situations. Features include: useful exercises and a full answer key grammar tables for easy reference frequent comparative references to English grammar an appendix of irregular verbs an index of grammatical terms.

Konfrontační popis kultivované výslovnosti nizozemštiny a češtiny z pohledu českého mluvčího - Marta Kostelecká 2019-01-01

Kniha popisuje výslovnost nizozemštiny z pohledu českého mluvčího.

Zařazuje nizozemštinu mezi germánské jazyky, vysvětluje její evropské variety a srovnává hlásky nizozemštiny a češtiny. Slouží jako příručka pro studenty nizozemštiny, kde se mohou dozvědět, jak správně vyslovovat jednotlivé hlásky, jak je nezaměňovat za české a jak vyslovovat hlásky v kontextu. Důležitou součástí je i pojednání o artikulačních bázích obou jazyků, které vysvětluje, jak jsou v nizozemštině nastavena mluvidla a jak se pohybují a to na základě srovnání frekvencí hlásek.

*Dubbel Dutch* - Kevin Cook 2002

**De kracht van het woord** - Marysa Demoor 1991

*Down by Contact* - Santino Hassell 2018-01-16

Two rival football players begin a game with higher stakes than the Super Bowl in this steamy romance from the author of *Illegal Contact*. Simeon Boudreaux, the New York Barons' golden-armed quarterback, is blessed with irresistible New Orleans charm and a face to melt your mama's heart. He's universally adored by fans and the media. Coming out as gay in solidarity with his teammate hasn't harmed his reputation in the least—except for some social media taunting from rival linebacker Adrián Bravo. Though they were once teammates, Adrián views Simeon

as a traitor and the number-one name on the New Jersey Predators' shit list. When animosity between the two NFL players reaches a boiling point on the field, culminating in a dirty fist fight, they're both benched for six games and sentenced to joint community service teaching sullen, Brooklyn teens how to play ball. At first, they can barely stand to be in the same room, but running the camp forces them to shape up. With no choice but to work together, Simeon realizes Adrián is more than his alpha-jerk persona, and Adrián begins to question why he's always had such strong feelings for the gorgeous QB...

*A Frequency Dictionary of Dutch* - Carole Tiberius 2013-12-17

A Frequency Dictionary of Dutch is a valuable tool for all learners of Dutch, providing a list of the 5,000 most frequently used words in the language. Based on a 290 million word corpus which includes both written and spoken material from a wide range of sources, this dictionary presents Dutch core vocabulary in a detailed and clearly arranged manner: each of the 5,000 entries includes English equivalents and a sample sentence showing language in use. Users can access the top 5,000 words either through the main frequency listings or an alphabetical index. Throughout the frequency listings there are thematically organized lists featuring the top words from a variety of key topics such as animals, food and other areas of daily and cultural life. Words specific to Dutch in Belgium (Belgian Dutch) are also included. An engaging and efficient resource, A Frequency Dictionary of Dutch will enable students of all levels to get the most out of their study. This book was prepared in association with the Instituut voor Nederlandse Lexicologie (INL, Institute of Dutch Lexicology). A CD version is available to purchase separately. Designed for use by corpus and computational linguists, it provides the full text in a format that researchers can process and turn into suitable lists for their own research purposes.

Zesentwintigste conferentie 'Het Schoolvak Nederlands' - André Mottart 2012

Conferentiebundel van de zesentwintigste editie van de Conferentie Het Schoolvak Nederlands die plaats vond op 16 en 17 november 2012. Deze conferentie is een rijk forum voor allen die zich bij de ontwikkelingen van

het onderwijs Nederlands in alle mogelijke leeromgevingen betrokken voelen. Alle beschikbare samenvattingen van de workshops ook van de voorbije jaren zijn nu gedigitaliseerd

**Reading with My Eyes Open** - Gerdi Quist 2013-11-29

Untangling the various approaches to language teaching and their history, Gerdi Quist maps recent thinking in language studies at university. Using an interdisciplinary theoretical framework, drawn from educational philosophy, cultural studies, intercultural studies and language pedagogy, the author discusses the many tensions and currents in contemporary language teaching. The author puts forward an alternative pedagogy, that of a cultuurtekstperspective, which engages learners at complex linguistic and cultural levels. In discussing the case study in which this approach is tested, the author develops her argument for embracing various critical perspectives through the personal engagement of students. From the start the author acknowledges her own engaged position as a language teacher in a liberal humanistic educational environment. She adopts a self-critical perspective through which her engagement with adverse student reaction leads to deepening insights both for the author and her students as part of the non-linear process of learning. 'This book should be obligatory reading for all new lecturers in foreign languages at university. It is extremely thought-provoking and will help them make sense of the world in which they find themselves.' Jane Fenoulhet (Professor in Dutch Studies and co-editor of *Mobility and Localisation in Language Learning*)

**BiSL® - A Framework for Business Information Management - 2nd edition** - Remko van der Pols & Frank van Outvorst & Ralph Donatz 2012-04-15

This book describes a process framework for business information management: the Business Information Services Library (BiSL®) - a public domain standard that is consistent with the IT Infrastructure Library (ITIL) and Application Services Library (ASL). BiSL establishes a bridge between IT and business processes, and between business

information administrators and information managers. The BiSL process model provides an insight into all of the primary processes within their field of operations and into the relationship between the various processes. It offers a starting point for the improvement of these processes using best practices, amongst other things, and it provides uniform terminology. This book explains BiSL, a process framework for business information management, encompassing the best way to manage and execute business information management in day-to-day practice, and explains how the framework BiSL can help to improve business processes and the alignment of business and IT. Additional Training material is available for free for APMG accredited trainers. If you want to have this sent to you, please send an e-mail to: [info@vanharen.net](mailto:info@vanharen.net) By this book is a separate file (free, via internet) available: • All images in the book, in Powerpoint format. [Dutch Short Stories for Beginners](#) - Lingo Mastery 2020-07-09

Do you know what the hardest thing for a Dutch learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! Teachers love giving out tough, expert-level literature to their students. Books that present many new problems to the reader and force them to search for words in a dictionary every five minutes - it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all! In this book, we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the beautiful Dutch tongue. How Dutch Short Stories for Beginners works: - Each story is exciting and entertaining with realistic dialogues and day-to-day situations. - The summaries follow a synopsis in Dutch and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. - At the end of

those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in Dutch, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Dutch Short Stories for Beginners and start learning Dutch right now!

**Mobility and Localisation in Language Learning** - Jane Fenoulhet 2010

For most language learners, mobility is now the starting-point rather than the end-point of language learning. Rather than learning a language in order to go abroad, learners are used to moving from country to country, from culture to culture. This volume of essays explores the different attitudes to language learning generated by globalisation and shows how the local still has an impact on the language-learning classroom. The contributors have collaborated through the Languages of the Wider World Centre of Excellence in Teaching and Learning based at University College London and the School of Oriental and African Studies. The essays in the book span both reflection on language learners' shifting identities and the pedagogies of a range of less widely taught languages in which the national language has acquired fresh emphasis in the context of globalisation. How might the tension between mobility and localisation best be exploited to the benefit of language learners?

**150 ECG Problems E-Book** - John Hampton 2013-07-24

This book offers 150 12-lead ECGs and rhythm strips, each with a clinical case history and question. The full ECG is reproduced and a study of it with the case history should be enough to give an answer. On the back the case is examined, with a description of the main features of the ECG along with a clinical interpretation and a "what to do" section. The cases

are graded in difficulty. The unique page size allows presentation of all 12-lead ECGs across a single page for clarity. Several of the cases incorporate chest X-rays and coronary angiograms illustrating the appearances that are associated with various cardiac conditions. All the cases are graded in difficulty and are cross-referenced to the new editions of ECG Made Easy and ECG in Practice for further information. For this Fourth Edition over 30 new ECGs have been included, mainly to provide clearer examples, though the book deliberately retains some technically poor records to maintain a 'real-world' perspective.

Illegal Contact - Santino Hassell 2017-08-15

The rules of the game don't apply off the field in this first Barons novel. New York Barons tight end Gavin Brawley is suspended from the team and on house arrest after a video of him brawling goes viral. Gavin already has a reputation as a jerk with a temper on and off the field—which doesn't help him once he finds himself on the wrong side of the law. And while he's been successful professionally, he's never been lucky when it comes to love. Noah Monroe is a recent college grad looking for a job—any job—to pay off his mounting student debt. Working as Gavin's personal assistant/babysitter seems like easy money. But Noah isn't prepared for the electrifying tension between him and the football player. He's not sure if he'd rather argue with Gavin or tackle him to the floor. But both men know the score, and neither is sure what will happen once Gavin's timeout is over...

**The Yellow Balloon** - Charlotte Dematons 2003

A yellow balloon sails around the world.

**Miffy and Melanie** - Dick Bruna 2015-01-15

It's such a lovely, sunny day that Miffy has put up her tent in the garden and, for a very special treat, Mummy Bunny lets her play in the paddling pool! It's so much fun. These highly desirable classic books have been updated for a new generation by award-winning poet, Tony Mitton.

**Translation: A Very Short Introduction** - Matthew Reynolds

2016-10-20

Translation is everywhere, and matters to everybody. Translation doesn't only give us foreign news, dubbed films and instructions for using the

microwave: without it, there would be no world religions, and our literatures, our cultures, and our languages would be unrecognisable. In this Very Short Introduction, Matthew Reynolds gives an authoritative and thought-provoking account of the field, from ancient Akkadian to World English, from St Jerome to Google Translate. He shows how translation determines meaning, how it matters in commerce, empire, conflict and resistance, and why it is fundamental to literature and the arts. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

*Contact!* - Elsbeth de Leeuw 2013

Werkboek Nederlandse taal voor hogeropgeleide anderstaligen, niveau A2; met drie audio-cd's.

Contact! 3 - Elsbeth de Leeuw 2012

Contact! is een driedelige, communicatieve, moderne leergang Nederlands voor hoogopgeleide, anderstalige volwassenen. De cursisten leren de Nederlandse taal als instrument te gebruiken voor het geven en ontvangen van informatie, het uiten van gedachten, gevoelens, ervaringen en meningen. Gedurende het doorwerken van de leergang krijgen cursisten de benodigde lexicale en grammaticale bagage. Alle vaardigheden worden getraind in een realistische, communicatieve setting. In de klassikale lessen zal veel gewerkt worden met het tekstboek, terwijl cursisten het werkboek voornamelijk zelfstandig zullen doorwerken. Het tekstboek bevat vijf bijlagen: de lijst met grammaticale termen en voorbeelden, het grammaticaoverzicht, de transcripties van de luisterteksten uit het tekstboek, de lijst met sterke en onregelmatige verba en de woordenlijst met leerwoorden per les met Engelse vertaling. *Dutch* - William Z. Shetter 2002

This Grammar shows, step by step, how the language is constructed. It presents a lively and accessible description of the language using plenty of relevant examples. This is the ideal first grammar for the Dutch

learner.

Contact! nieuw 1 (A1). Werkboek - 2019-02-04

**Languages in Contact and Conflict** - Sue Wright 1995-01-01

Papers explore new developments in the Dutch government's policy responses to the linguistic minorities constituted by recent immigration, the theoretical implications of linguistic groups in contact and conflict with one another, and the political reality which frames life in Belgium. Contributors discuss each other's papers in a debate section. Annotation copyright by Book News, Inc., Portland, OR

Useful Assessment and Evaluation in Language Education - John McE.

Davis 2018-03-01

The specific—and varied—ways in which assessment and evaluation can impact learning and teaching have become an important language education research concern, particularly as educators are increasingly called on to implement these processes for improvement, accountability, or curricular development purposes. Useful Assessment and Evaluation

in Language Education showcases contemporary research that explores innovative uses of assessment and evaluation in a variety of educational contexts. Divided into three parts, this volume first examines theoretical considerations and practical implementations of assessment conducted for the purpose of enhancing and developing language learning. Part 2 addresses novel assessment development and implementation projects, such as the formative use of task-based assessments, technology-mediated language performance assessment, validation of educational placement tests for immigrant learners, and the use of assessment to help identify neurolinguistic correlates of proficiency. The final section of the book highlights examples of argument-based approaches to assessment and evaluation validation, extending this critical framework to quality assurance efforts in new domains. Adding to research on traditional and conventional uses of testing and evaluation in language education, this volume captures innovative trends in assessment and evaluation practice that explicitly aim to better inform and enhance language teaching and learning.

**Levende talen** - 1982
