**The Asperkid's (Secret) Book of Social Rules, 10th Anniversary Edition** - Jennifer Cook 2022-06-21

Being a teen or tween is tough for anyone. And if you're on the Autism Spectrum, life can feel like a game you're playing without knowing the rules. Jennifer Cook knows - she's been there! Her internationally bestselling handbook is the key to unlocking those unwritten, often confusing, not-so-obvious social guidelines and bolstering confidence, all at once. Finally, teens can play the game of life with instructions. The 10th Anniversary Edition of The (Secret) Book of Social Rules reveals the essential secrets behind the baffling social codes surrounding making and keeping friends, dating, and catastrophic conversation pitfalls, with all-new content on social media and talking about neurodiversity. It's no

wonder Jennifer's is the navigation tool tens of thousands of fans have come to love! Full of brand-new funny illustrations, take-it-from-me explanations, and comic strip examples, this Book of the Year award winner is real, positive, and speaks from the heart (without ever sounding like your mother's guide to manners). It's confidence, humor, and smarts. For the Human Spectrum.

*The Asperger Children's Toolkit* - Francis Musgrave 2012

Developed specifically for children with Asperger Syndrome (AS) to use with a parent or carer, the Asperger Children's Toolkit is full of accessible information and snippets of wisdom about AS to promote mutual understanding. Likeable characters such as the Brain Guru, the Sensory Detective and the Social Scientist guide children through games and exercises designed to help them deal with particular areas of difficulty, including anxiety, social skills and emotional intelligence. A section is also devoted to the increasingly important issue of staying safe in the digital world, and provides children with the knowledge and skills they need to use the internet, social networking and text messaging safely. Original and highly interactive, with attractive color illustrations and cut-out-and-keep activities throughout, this is an essential toolkit for any family with a child with Asperger Syndrome.

**All Dogs Have ADHD** - Kathy Hoopmann 2020-08-21

This delightful revised edition of All Dogs Have ADHD takes an inspiring and affectionate look at Attention Deficit Hyperactivity Disorder (ADHD). With all-new images from the canine world, it explores a variety of traits that will be instantly recognisable to those who are familiar with ADHD. Charming colour photographs of dogs bring to life familiar ADHD characteristics such as being restless and excitable, getting easily distracted, and acting on impulse. It combines humour with understanding to reflect the difficulties and joys of raising a child with ADHD and celebrates what it means to be considered 'different'.

**The Adult Side of Dyslexia** - Kelli Sandman-Hurley 2021-11-18

This book combines moving accounts of the lived experience of dyslexic adults with tips and strategies for surmounting the challenges you or a loved one or family member may face. Drawing on in-depth interviews,

Kelli Sandman-Hurley explores common themes such as school experiences; the impact of dyslexia on mental wellbeing; literacy skills; and being a dyslexic parent, perhaps to a child who is also dyslexic. Interviewees share what helped them (or didn't), the strategies they use daily to tackle literacy-based tasks, anxiety and low self-esteem, the advice they would give to the parent of a dyslexic child who is struggling, and reflect on how their experience has impacted their own parenting style. Whether you're dyslexic yourself or supporting someone who is, this book sheds light on an underrepresented topic, providing much-needed guidance and insight around what life is really like for an adult with dyslexia.

*Asperger's Rules!* - Blythe Grossberg 2012

Offers guidance to young people with Asperger's syndrome by explaining how to understand and communicate with their peers and teachers, standing up for and taking care of themselves, setting realistic goals, and making friends.

**The Green Zone Conversation Book** - Joel Shaul 2014-10-21

Using bright colours and fun illustrations, this book will show children with Autism Spectrum Disorder aged 7 and above how to identify common interests in conversation, and how to go on to talk about them successfully. The photocopiable worksheets and activities encourage children to engage with this visual model and reinforce the method.

**Asperger Syndrome** - Ellen S. Heller Korin 2006-03-11

This interactive workbook is designed to help young people, approximately 5th to 8th grade, develop their Personal Profile. By learning to identify their strengths and challenges, they are better able to participate in developing meaningful interventions and future plans, including playing and effective role in their own IEP meetings. With the help of a trusted adult, the child completes a series of exercises related to learning style, sensory issues, emotions, relationships and more, culminating in a written plan for each major area of this or her life that will serve as a constant guide and reinforcement.

**Martian in the Playground** - Clare Sainsbury 2009-10-02

`This deceptively little book contains more truth and provides more

insight into what it is like to have Asperger's Syndrome than many a weighty tome on the subject. It offers a view from the inside, but it is not yet another autobiography. Admirably and refreshingly, the author has refrained from giving an account solely based on her own experiences. Instead she sets out observations from 25 different sufferers, giving often astonishing and sometimes harrowing glimpses of what actually happens to a child with Asperger's Syndrome in the classroom, in the playground, in the lunch queue and at home' - *The Journal of Child Psychology and Psychiatry* This award-winning book illuminates what it means to be a person who has Asperger's Syndrome by providing a window into a unique and particular world. Drawing on her own experience of schooling, and that of a network of friends and correspondents who share her way of thinking and responding, Clare Sainsbury reminds us of the potential for harm which education holds for those who do not fit. This book holds insights that take us beyond the standard guidance on how to manage autistic spectrum disorder. It challenges the way we might handle obsessional behaviour. It invites us to celebrate the pure passion of the intellect, which such obsessions can represent, and to recognise the delight which can be experienced by children who love to collect. It reminds us that many of the autistic mannerisms we might try to suppress actually help the child to think. This revised edition includes an additional introduction and extensive summary of research in the field of Asperger's Syndrome, both by Tony Attwood.

[Social Rules for Kids](#) - Susan Diamond 2011

Many parents are not sure of what to say and do to help their children improve their social interactions. *Social Rules for Kids - The Top 100 Social Rules Kids Need to Succeed* helps open the door of communication between parent and child by addressing 100 social rules for home, school, and the community. Using simple, easy-to-follow rules covering topics such as body language, manners, feelings and more, this book aims to make student's lives easier and more successful by outlining specific ways to interact with others on a daily basis.

*Quirky, Yes---Hopeless, No* - Beth Wagner Brust 2009-08-04

In *Quirky, Yes—Hopeless, No*, Dr. Cynthia La Brie Norall and Beth Brust

present short lessons, structured around specific topics from A-Z that address the social challenges faced by Asperger's children and teens. Since everyday "people skills" do not come naturally to children with Asperger's, they need training in such simple activities as: • How to greet others and make eye contact • How to let go and move on to new tasks • How to cooperate and ask for help • How to pay compliments • How to discern someone's true intentions • How to handle teasing and bullying • How not to be rude. Based on Dr. Norall's twenty years of experience diagnosing and treating thousands with Asperger's, this book will share her insights gained from helping so many friendless Asperger's children become more approachable, less stuck, and finally able to make, and keep, a friend or two. "This is a fantastic book for helping people on the autism spectrum learn social skills."--Temple Grandin, author of *The Way I See It: A Personal Look at Autism and Asperger's*

***The Aspie Teen's Survival Guide*** - J. D. Kraus 2010

Offers practical advice so readers can get the most out of middle and high school, both academically and socially, from sensory sensitivity to awkwardness, dating to driving.

[Freaks, Geeks and Asperger Syndrome](#) - Luke Jackson 2002-08-15

Part of the Reading Well scheme. 35 books selected by young people and health professionals to provide 13 to 18 year olds with high-quality support, information and advice about common mental health issues and related conditions. Winner of the NASEN & TES Special Educational Needs Children's Book Award 2003 Have you ever been called a freak or a geek? Have you ever felt like one? Luke Jackson is 13 years old and has Asperger Syndrome. Over the years Luke has learned to laugh at such names but there are other aspects of life which are more difficult. Adolescence and the teenage years are a minefield of emotions, transitions and decisions and when a child has Asperger Syndrome, the result is often explosive. Luke has three sisters and one brother in various stages of their adolescent and teenage years but he is acutely aware of just how different he is and how little information is available for adolescents like himself. Drawing from his own experiences and gaining information from his teenage brother and sisters, he wrote this

enlightening, honest and witty book in an attempt to address difficult topics such as bullying, friendships, when and how to tell others about AS, school problems, dating and relationships, and morality. Luke writes briefly about his younger autistic and AD/HD brothers, providing amusing insights into the antics of his younger years and advice for parents, carers and teachers of younger AS children. However, his main reason for writing was because "so many books are written about us, but none are written directly to adolescents with Asperger Syndrome. I thought I would write one in the hope that we could all learn together".

**Making Sense of Sex** - Sarah Attwood 2008-05-15

Puberty is a time of huge change in the physical body, in emotional experience and in social relationships. Having an understanding of these developments and learning how to deal with them is essential, and for people with Asperger's syndrome it can be a challenge to get to grips with the social and emotional aspects of puberty, sex and relationships. This book is ideal for those who need clear, detailed explanations and direct answers to the many questions raised by puberty and sexual maturity. Sarah Attwood describes developments in both the male and female body, and explains how to maintain hygiene and personal care, and to promote general good health. She examines emotional changes, including moods and sexual feelings, and provides comprehensive information on sex, sexual health and reproduction. She looks at the nature of friendship, how it changes from childhood to adulthood and its importance as a basis for sexual encounter. She also offers coping strategies for different social experiences, from bullying to dating, and includes essential tips on the politics of mature behaviour, such as knowing the difference between public and personal topics of conversation. Making Sense of Sex is a thorough guide written in unambiguous language with helpful diagrams, explanations and practical advice for young people approaching puberty and beyond.

*Parenting a Teen or Young Adult with Asperger Syndrome (Autism Spectrum Disorder)* - Brenda Boyd 2013-10-21

325 astute and practical ideas, insights, tips and strategies address the complex issues parents face during this crucial period of transition for

their child with Asperger Syndrome (Autism Spectrum Disorder). The practical, bite-size suggestions focus on the vital importance of developing and nurturing an open and healthy relationship with your son or daughter. The easy-to-navigate format will suit busy parents wanting to locate advice to suit their particular needs. All the suggestions are designed to foster understanding and acceptance between family members and help the AS young person with common problem areas such as social vulnerability and peer relationships, self-esteem, anxiety and coping with change. This will be an invaluable companion for parents, carers and family members of an adolescent or young adult with AS.

**The Unwritten Rules of Social Relationships** - Temple Grandin 2005  
The authors share what they have learned about social relationships over the course of years struggling with the effects of autism, identifying Ten Unwritten Rules as general guidelines for handling social situations.

**How to Teach Life Skills to Kids with Autism Or Asperger's** - Jennifer McIlwee Myers 2010

Offers parents of children with autism or Asperger's syndrome advice on teaching basic life skills and establishing healthy habits, including doing chores, task switching, punctuality, appropriate attire, manners, and kindness.

**Asperger Syndrome, the Universe and Everything** - Kenneth Hall 2001

Kenneth Hall was diagnosed with Asperger's Syndrome at the age of eight. Here he describes some of the inner experiences and perceptions of autism in childhood. He has a warm and positive attitude which other children will find inspiring. Insights, struggles and joys are recounted vividly in a frank and humorous way.

**The Asperkid's (Secret) Book of Social Rules, 10th Anniversary Edition: The Handbook of (Not-So-Obvious) Neurotypical Social Guidelines for Autistic T** - Jennifer Cook 2022-06-21

The Asperkid's (Secret) Book of Social Rules offers witty insights into baffling social codes such as making and keeping friends and common conversation pitfalls. Ideal for all 10-17 year olds on the autism

spectrum, this book provides inside information on over thirty social rules helping teens on the spectrum to navigate the world around them.

Your Special Grandchild - Josie Santomauro 2009-03-15

So your grandchild has Asperger Syndrome (AS)? You might have noticed that some of his behaviour is a bit different to most kids, that he becomes stressed when faced with change and he doesn't cope well with criticism or failure.' This book offers a fun and accessible introduction for the grandparent of a child diagnosed with AS. Intended as a support tool in the initial period after diagnosis, Your Special Grandchild is varied and engaging, and addresses questions or concerns that grandparents might have, such as 'What are the characteristics of AS?', 'How did my grandchild get AS?' and 'What happens now?'. Also included are poems, stories, illustrations and activities to help grandparents come to terms with and move forward from a diagnosis of AS, and work together with the family to support the child. Your Special Grandchild will be essential reading for grandparents of children in the initial period after a diagnosis of AS.

The Science of Making Friends - Elizabeth Laugeson 2013-08-22

The groundbreaking book that puts the focus on teens and young adults with social challenges This book offers parents a step-by-step guide to making and keeping friends for teens and young adults with social challenges—such as those diagnosed with autism spectrum disorder, ADHD, bipolar, or other conditions. With the book's concrete rules and steps of social etiquette, parents will be able to assist in improving conversational skills, expanding social opportunities, and developing strategies for handling peer rejection. Each chapter provides helpful overview information for parents; lessons with clear bulleted lists of key rules and steps; and expert advice on how to present the material to a teen or young adult. Throughout the book are role-playing exercises for practicing each skill, along with homework assignments to ensure the newly learned skills can be applied easily to a school, work, or other "real life" setting. The bonus DVD shows role-plays of skills covered, demonstrating the right and wrong way to enter conversations, schedule get-togethers, deal with conflict, and much more. PART ONE: GETTING

READY Ch. 1: Why Teach Social Skills to Teens and Young Adults? PART TWO: THE SCIENCE OF DEVELOPING AND MAINTAINING FRIENDSHIPS Ch. 2: Finding and Choosing Good Friends Ch. 3: Good Conversations: The Basics Ch. 4: Starting and Entering Conversations Ch. 5: Exiting Conversations Ch. 6: Managing Electronic Communication Ch. 7: Showing Good Sportsmanship Ch. 8: Enjoying Successful Get-Togethers PART THREE: THE SCIENCE OF HANDLING PEER CONFLICT AND REJECTION: HELPFUL STRATEGIES Ch. 9: Dealing With Arguments Ch. 10: Handling Verbal Teasing Ch. 11: Addressing Cyber Bullying Ch. 12: Minimizing Rumors and Gossip Ch. 13: Avoiding Physical Bullying Ch. 14: Changing a Bad Reputation Epilogue: Moving Forward

The Asperkid's Not-Your-Average-Coloring-Book - Jennifer Cook O'Toole 2013-08

Gathering the artistic talents of children with Asperger syndrome and artists from around the world, as well as her own artwork, Jennifer O'Toole has created a one-of-a-kind coloring book. Full of Aspie special interests - mythology, science, math, and more - this cool coloring book is educational, fun, and above all a celebration of difference!

**Asperkids** - Jennifer Cook O'Toole 2012

Offers ways to engage with children with Asperger syndrome like concentrating on their need for concrete forms of communication.

**Can I Tell You about Asperger Syndrome?** - Jude Welton 2003-09

Introducing Adam, who has Asperger syndrome -- Reading feelings -- Tones of voice -- Playing with others -- Loud noises -- Confusing groups -- Unexpected change -- Motor skills -- Special interests -- What is Asperger syndrome? -- How to help -- How teachers can help.

Sisterhood of the Spectrum - Jennifer Cook O'Toole 2015-04-21

Spectrum gals, ever wished you had a handbook to help navigate the confusing world of teenage girlhood? Look no further! Aspie-in-the-know, Jennifer Cook O'Toole provides just that with her inspirational guide to life for teenage girls with Asperger syndrome. Drawing on her own, real-life experiences rather than preaching from textbooks, she covers everything you need (and want!) to know, from body shapes and love

interests to bullying, friendships and how to discover and celebrate your unique, beautiful self. With illustrations by an Aspie teen and inspirational quotes from well-known, female Aspie voices, including Temple Grandin, Rudy Simone, Robyn Steward, and Haley Moss, *Sisterhood of the Spectrum* is your perfect companion on the "yellow brick road" to womanhood. It will leave you empowered, informed and excited to be different.

*Wellbeing for the IB PYP* - Kimberley O'Brien 2020-07-20

Teach for success and implement effective strategies to create flexible, inviting and intentional learning spaces - essential for supporting physical and emotional wellbeing. - Offers guidance on how to support emotional wellbeing with dedicated chapters on Mindfulness, anxiety and stress and the importance of wellbeing and PSEL. - Helps develop fully rounded and responsible learners with exploration of the IB Learner Profile and ATL skills of social, communication and self-management skills with case studies and Dr Kimberley's Top 5 Tips. - Provides a collaborative approach to wellbeing with storybooks (PYP Friends) and workbooks (PYP ATL Skills Workbooks) that can be used alongside this resource to develop your students social and emotional wellbeing.

*Social Skills for Teenagers and Adults with Asperger Syndrome* - Nancy J Patrick 2008-09-15

This resource provides practical strategies for helping teenagers and adults with Asperger Syndrome to navigate social skills, friendships and relationships at home and in the community. The author offers advice and useful strategies for tackling day-to-day problems such as visits to the dentist or the doctor, searching for a job, sorting out personal finances, going on vacation, and dealing with public transport, as well as more intimate topics such as dating and acquiring and maintaining friendships. The chapters are structured around real-life scenarios and the challenges they present, followed by step-by-step solutions and suggestions. A final section provides a set of practical self-help tools, which encourage the reader to note down answers to the questions posed and record personal reflections. This accessible guide will be essential reading for teenagers and adults with Asperger Syndrome and

their families, teachers, therapists, counsellors, carers, social and health work professionals.

*The Awesome Autistic Go-To Guide* - Yenn Purkis 2020-04-21

This book explores what it feels like to be a young person on the autism spectrum and looks at all the brilliant things people on the autism spectrum can do. Full of insights about being awesome and autistic, this book celebrates the strengths of understanding the world in a different way. It looks at all the reasons being you and thinking differently can be totally awesome! It also has tips for managing tricky situations such as meltdowns, sensory differences and anxiety. It includes fun activities and diary pages where you can write your thoughts and feelings to help you concentrate on your strengths and work on your challenges. This book helps you develop the confidence to be who you are and help you live life with as little stress and anxiety as possible.

**How to Be Human** - Florida Frenz 2019-08-01

With powerful words and pictures Florida Frenz chronicles her journey figuring out how to read facial expressions, how to make friends, how to juggle all the social cues that make school feel like a complicated maze. Diagnosed with autism as a two-year-old, Florida is now an articulate 15-year-old whose explorations into how kids make friends, what popularity means, how to handle peer pressure will resonate with any preteen. For those wondering what it's like inside an autistic child's head, Florida's book provides amazing insight and understanding. Reading how she learns how to be human makes us all feel a little less alien.

*The Truth About Love* - Patricia Love 2001-06-05

Describes the natural stages of love, refutes various romantic notions that can undermine a relationship, offers realistic insights designed to strengthen the bonds of love, and presents suggestions on how to transform a relationship.

**Dude, I'm An Aspie!** - Matt Friedman

**The Asperkid's (Secret) Book of Social Rules** - Jennifer Cook  
2012-09-15

Being a teen or tween isn't easy for anyone but it can be especially tough

for Asperkids. Jennifer O'Toole knows; she was one! This book is a top secret guide to all of the hidden social rules in life that often seem strange and confusing to young people with Asperger syndrome. The Asperkid's (Secret) Book of Social Rules offers witty and wise insights into baffling social codes such as making and keeping friends, blending in versus standing out from the crowd, and common conversation pitfalls. Chock full of illustrations, logical explanations, and comic strip practice sessions, this is the handbook that every adult Aspie wishes they'd had growing up. Ideal for all 10-17 year olds with Asperger syndrome, this book provides inside information on over thirty social rules in bite-sized chunks that older children will enjoy, understand, and most importantly use daily to navigate the mysterious world around them.

*I am an Aspie Girl* - Danuta Bulhak-Paterson 2015-04-21

Lizzie is an Aspie Girl - she has Asperger's Syndrome, which means that her brain works differently to her friends, and even to boys with Asperger Syndrome. In this book, Lizzie explains what it's like to be an Aspie Girl, including how she has a special talent for blending in with her friends, how she gets really tired after being at school all day, how she worries about making mistakes, and how she finds it hard to understand how she is feeling. By simply, clearly and positively explaining the social differences associated with Asperger's Syndrome, or Autism Spectrum Disorder, in young girls, this book will help Aspie Girls aged 5 years and over to understand their diagnosis, recognise their unique strengths and celebrate their differences, and find ways of coping with difficulties. This positive and celebratory book also contains helpful discussion points for parents and professionals to explore further with the girls in their care.

**Autism in Heels** - Jennifer Cook O'Toole 2018-12-04

The face of autism is changing. And more often than we realize, that face is wearing lipstick. *Autism in Heels*, an intimate memoir, reveals the woman inside one of autism's most prominent figures, Jennifer O'Toole. At the age of thirty-five, Jennifer was diagnosed with Asperger's syndrome, and for the first time in her life, things made sense. Now, Jennifer exposes the constant struggle between carefully crafted persona and authentic existence, editing the autism script with wit, candor,

passion, and power. Her journey is one of reverse-self-discovery not only as an Aspie but--more importantly--as a thoroughly modern woman. Beyond being a memoir, *Autism in Heels* is a love letter to all women. It's a conversation starter. A game changer. And a firsthand account of what it is to walk in Jennifer's shoes (especially those iconic red stilettos). Whether it's bad perms or body image, sexuality or self-esteem, Jennifer's is as much a human journey as one on the spectrum. Because autism "looks a bit different in pink," most girls and women who fit the profile are not identified, facing years of avoidable anxiety, eating disorders, volatile relationships, self-harm, and stunted independence. Jennifer has been there, too. *Autism in Heels* takes that message to the mainstream. From her own struggles and self-discovery, she has built an empire of empowerment, inspiring women the world over to realize they aren't mistakes. They are misunderstood miracles.

**The Kids' Guide to Staying Awesome and In Control** - Lauren Brukner 2014-07-22

Packed with simple ideas to regulate the emotions and senses, this book will help children tackle difficult feelings head-on and feel awesome and in control! From breathing exercises, pressure holds and finger pulls, to fidgets, noise-reducing headphones and gum, the book is brimming with fun stuff to help kids feel cool, calm and collected. They will learn how to label difficult feelings, choose the perfect strategies and tools to tackle them, and use these correctly whether at home or at school. The strategies and tools are accompanied by cartoon-style illustrations, and the author includes useful tips for parents and teachers as well as handy visual charts and checklists to track learning and progress. Armed with this book, kids will be well on their way to managing difficult emotions and feeling just right in whatever situation life throws at them! Suitable for children with emotional and sensory processing difficulties aged approximately 7 to 14 years.

**Asperger's Teens** - Blythe N. Grossberg 2014-10

For teens with Asperger's, high school can be a time of great promise an opportunity to learn more about subjects their excited about, join clubs and activities that interest them, and make new friends but it can also be

uncomfortable at times. This book provides high school students with Asperger's strategies that they can use to help themselves feel more comfortable in school, find friends and get along with peers, work productively with their teachers, and move toward greater independence.

[The Guide to Dating for Teenagers with Asperger Syndrome](#) - Jeannie Uhlenkamp 2009

"Dating is difficult for everyone. For a teen with Asperger Syndrome, it can be overwhelming. Special education teacher Jeannie Uhlenkamp tackles some of the specific issues facing teens with AS. Written in a question-and-answer format, this much-needed book offers insight and practical advice on dating challenges. Each topic is followed by Discussion Questions (to get the conversation flowing between teens and parents/teachers) and a Main Idea (which succinctly wraps up the main point). Also included are special notes to define the more illusive vocabulary and concepts of today's dating world."--Provided by publisher.

**Please Don't Hug Me** - Kay Kerr 2020-04-28

A powerful and funny Own Voices story from a debut Australian writer, for fans of Simone Howell's *Girl, Defective* and Rainbow Rowell's *Fangirl*.

**The Asperkid's Launch Pad** - Jennifer Cook O'Toole 2013-04-28

For Asperkids, home is both their protected lair and their launch pad into success in a neurotypical world. Jennifer O'Toole provides parents with all the help they need in planning their home environment to encourage their Asperkid superheroes to soar. The Asperkid's Launch Pad is a visually-led guide to preparing a home environment that supports the development of children with Asperger syndrome. From a bedroom light switch that the child can easily reach, to a tucked-away safe place that he or she can retreat to when feeling overwhelmed or anxious, small changes in the home can boost the child's self-confidence, independence, comfort and life skills. Award-winning author Jennifer O'Toole gives readers a walk-through tour of the home, showing, room by room, how physical surroundings affect Asperkids and highlighting the learning opportunities in every space and object. Beautifully presented with color photographs throughout, this functional and fun book will win a place in the homes and hearts of all parents of children with Asperger syndrome.
