Four Seasons - Isadore Sharp 2009-04-30

The founder of Four Seasons Hotels shares the
philosophy and values that have made his
legendary brand How did a child of immigrants,
starting with no background in the hotel
business, create the world's most admired and
successful hotel chain? And how has Four
Seasons grown dramatically, over nearly a half
century, without losing its focus on exceptional
quality and unparalleled service? Isadore Sharp
answers these questions in his engaging
memoir, which doubles as a powerful guide for

leaders in any field. He recalls the surprising history of his company, starting with its roots in his father's small construction business, which Sharp joined after getting a degree in architecture. Shifting into hotels wasn't easy, and he learned by trial and error. His breakthrough was a vision for a new kind of hotel, featuring superior design, top-quality amenities, and, above all, a deep commitment to service. Sharp realized that customers would gladly pay extra for a "home away from home" experience. But that would be possible only if everyone—from managers and supervisors to bellmen, servers, and housekeepers—was fully engaged. The front-line staff, who have the most contact with guests, can make or break a five-star reputation. Readers will be fascinated to learn how Four Seasons does it, year after year, in more than thirty countries around the world.

1,000 Places to See Before You Die - Patricia Schultz 2011-11-15

The world's bestselling travel book is back in a more informative, more experiential, more budget-friendly full-color edition. A #1 New York Times bestseller, 1,000 Places reinvented the

idea of travel book as both wish list and practical guide. As Newsweek wrote, it “tells you what’s beautiful, what’s fun, and what’s just unforgettable— everywhere on earth.” And now the best is better. There are 600 full-color photographs. Over 200 entirely new entries, including visits to 28 countries like Lebanon, Croatia, Estonia, and Nicaragua, that were not in the original edition. There is an emphasis on experiences: an entry covers not just Positano or Ravello, but the full 30-mile stretch along the Amalfi Coast. Every entry from the original edition has been readdressed, rewritten, and made fuller, with more suggestions for places to stay, restaurants to visit, festivals to check out. And throughout, the book is more budget-conscious, starred restaurants and historic hotels such as the Ritz, but also moderately priced gems that don’t compromise on atmosphere or charm. The world is calling. Time to answer.
