### **The Adventures of Hergé** - Jose-Louis Bocquet 2011-12-06

A GRAPHIC BIOGRAPHY OF TINTIN'S CREATOR by Jose-Louis Bocquet and Jean-Luc Fromental, Illustrated by Stanislas Barthélémy  
The Adventures of Hergé is a biographical comic about the world-renowned comics artist Georges Prosper Remi, better known by his pen name, Hergé. Meticulously researched, with references to many of the Tintin albums and complete with a bibliography and mini-bios for each of the main

"characters," the biography is appropriately drawn in Hergé's iconic clear line style as an homage to the Tintin adventures that have commanded the attention of readers across the world and of many generations. Seven-year-old Hergé first discovered his love of drawing in 1914 when his mother gave him some crayons to stay out of trouble. He continued drawing in school when he fatefully met the editor of *XXe Siècle* magazine, where Tintin first appeared. His popularity skyrocketed from the 1930s through post-World War Two. Hergé was perceived by some to have aided the Nazi government in Belgium by continuing to publish Tintin in a government-sanctioned magazine, and he was briefly imprisoned in the aftermath of the war and narrowly escaped execution. Also covered are his marriage troubles in the 1950s and subsequent affair with Fanny Vlamynck, who went on to become his lifelong partner; his late career in the 1960s, as his interest in Tintin waned and he occasionally "disappeared" for

weeks at a time as he contemplated giving up his career to become a fine-arts painter; and a recounting of a humorous encounter with Andy Warhol.

### **The Art of The Adventures of Tintin** - Weta Workshop 2011

An incredible visual insight into one of the most eagerly anticipated films of 2011. In autumn 2011 Steven Spielberg and Peter Jackson are teaming up to launch *The Adventures of Tintin: Secret of the Unicorn*. The first of two movies being produced, this film will bring to life the enormously popular books by Hergé in performance-captured, 3D form. Starring Jamie Bell (of *Billy Elliot* fame) as Tintin, the intrepid young reporter whose relentless pursuit of a good story thrusts him into a world of high adventure, and Daniel Craig as the nefarious Red Rackham, this will be the film of Christmas 2011. Published alongside the groundbreaking film, this book will reveal the incredible creative design process behind it. The conceptual design

and visual effects for the movie are being created by Weta, the multi Academy Award winning company behind blockbusters such as Avatar, The Lord of the Rings, District 9, King Kong, The Chronicles of Narnia and many others. The designs for the book will be put together by the very same Weta artists, giving the readers a true inside story on the how the original comics were transformed into the final look on the big screen.
