A gritty, down-to-earth guide for real-life couples Conflict is a natural part of any intimate relationship. Yet most couples either avoid it or try to smooth over their differences. This often results in at least one partner compromising their integrity—and stunting their own growth. *Monsters in Love* challenges the idea that conflict between partners is unhealthy or something to avoid. Instead, it encourages both people to stand by what they need and who they are—but to do so with compassion rather than competitiveness or vengefulness. This book is about the reality of committed, intimate relationships, which are designed to inspire both people to grow up. It challenges some common misperceptions about what makes for a successful partnership. It also rocks the boat of psychotherapy, calling out therapists who don't bring their best to their clients. Instead of comforting fantasies or false promises, *Monsters in Love* offers you and your partner a chance to make your relationship—and your lives—much bigger and more emergent.

**Monsters: A Love Story** - Liz Kay 2017-08-01

A hilarious debut novel about a perfectly imperfect love story that will delight fans of *Evvie Drake Starts Over*. Even the smartest people can be stupid at love. When Stacey Lane writes a feminist take on *Frankenstein*, she never imagines it will catch the eye of unbelievably sexy Hollywood star Tommy DeMarco. Tommy's passion for her book—and for her, a recently widowed poet, mom, and certified mess—threatens to turn her life upside down, or maybe right-side up. From their first poolside meeting the two are set on a collision course as they go about making the book into a movie, making each other crazy, and making love, if only in secret. Fueled by desire, love, grief, expertly poured cocktails, and crackling dialogue, *Monsters: A Love Story* is a witty portrait of a relationship gone off the rails and two people who are made for each other—even if they're not so sure they see it that way. \*\*A Summer Beach Read Pick for Harper's Bazaar, the Associated Press, Purewow, and Refinery29\*\* "This fast-paced novel will have readers immersed in the heady feeling of an alcohol-fueled affair with one of the sexiest men alive." — "An addictive page-turner, ripe with seduction and charm, that drops insights into this messy, crazy, wonderful thing called love." —Washington Independent Review of Books "Entertainingly dyspeptic." —Vogue "A perfectly imperfect love story."—Bookpage

**The LOVE Monster** - Jeanette Lynn 2022-07-04

It all started with a cookie that said Be Mine. Well, actually, it all started with a towering, horned, purple mountain of a male in a hurry, rushing through a detour on his way to work, nearly plowing down a small human woman, Mim, who was out trying to promote her little shop on The Port, decked out in a cute little heart print apron. The woman dressed like she's Cupid incarnate? That's Fran, Mim's best friend. We'll get to her later. And with one well-meaning gift and a sweet love note to go with, addressed as if it was from Mim but actually written by Fran, the gifts start to show up and the fun really starts. That little note and box of

heart-shaped chocolates is just enough hope to give Juhntinor the courage to go for it, and he does, wholeheartedly, like only a demon-looking alien warrior male with a translator hiccup who is bound from the more aggressive courting traditions of his homeworld can. And thus, the love monster is born.

**Love Monster Doll 11 Inch** - 2015

**Addio, Love Monster** - Christina Marrocco 2022-06

Addio, Love Monster is a novel told in linked stories spanning generations on the "regular" yet remarkable Singer Street of fictional midcentury Mulberry Park, just outside of Chicago. Marrocco transports you fully into this small world where Signora Giuseppa, the "iron fist" of Singer Street, does everything it takes to keep her grown children very near her, no matter what. Where Enrico the widower creeps in the night looking for a new wife in all the wrong places. Where Nicky the golden-gloves boxer wrestles with what he saw in the basement as a child-and Lena, his wife, also wrestles-with how to deal with Nicky's violence. Each story follows one person, but together they are the story of the neighborhood, a neighborhood that faces life together, whether they like it or not. In these pages you will find humor and sorrow, resentment and adoration, and the churn and change of a neighborhood where everyone knows everyone both too much and too little as time marches on. Praise for Addio, Love Monster "In rich, descriptive prose peppered with salty dialogue, Christina Marrocco gives us a penetrating look at several generations of a Sicilian immigrant family. Bookmarked on either end of this novel in stories are two tales focusing upon professional mourner and matriarch Giuseppa Millefiore, who teaches her family that "everything dies"-but not before the entire clan loves, laughs, and dips deep into the gusto that characterizes Italian-American life." -Rita Ciresi,

author of *Pink Slip and Sometimes I Dream in Italian* "Joyce had his Dublin, Ferrante, her Naples, and for Marrocco it's Mulberry Park, where not much seems to happen, and yet something's always going on if you look beneath the surface. Marrocco finds the extraordinary in the lives of the folk who inhabit this sleepy suburb of Chicago, creating stories of individuals that she forms into a lively word tapestry, capturing days of lives gone by, reminding us that everyone has a story to tell." - Fred L. Gardaphé, author of *From Wise Guys to Wise Men* "In *Addio, Love Monster*, Christina Marrocco has created a world that pulses with life. At the center of that life is the Millefiore family and their iron-fisted matriarch, Giuseppa. Set in fictional Mulberry Park, a suburb of Chicago, on the largely Sicilian-settled Singer Street, Marrocco's novel-in-stories creates a place that is both familiar and wonderfully strange, a slice of a past time where families and neighbors squabble and gossip and judge, but most of all, they share a love that outstrips those lesser emotions. A wonderful first book by an author with a keen eye and a skillful touch." - Patrick Parks, author of *Tucumcari* "With a unique and captivating voice and astounding attention to details, Christina Marrocco immerses us in the lives of a multi-generational immigrant family with her debut novel. I know well, these people of Mulberry Park, her fictional, working class, Sicilian-American neighborhood near Chicago. In this sharply focused snapshot of the midcentury Southern Italian immigrant experience, Marrocco populates *Addio, Love Monster* with people as real as it gets. I love this book." - Karen Tintori, author of *Unto the Daughters: The Legacy of an Honor Killing in a Sicilian-American Family*

**I Need My Monster** - Amanda Noll 2009-04-01

A unique monster-under-the-bed story with the perfect balance of giggles and shivers, this picture book relies on the power of humor over fear, appeals to a child's love for creatures both alarming and absurd, and glorifies the scope of a child's imagination. One night, when Ethan checks under his bed for his monster, Gabe, he finds a note from him instead: "Gone fishing. Back in a week." Ethan knows that without Gabe's familiar nightly scares he doesn't stand a chance of getting to sleep, so Ethan interviews potential substitutes to see if they've got the right equipment for the job—pointy teeth, sharp claws, and a long tail—but none of them proves scary enough for Ethan. When Gabe returns sooner than expected from his fishing trip, Ethan is thrilled. It turns out that Gabe didn't enjoy fishing because the fish scared too easily. **Women Who Love Monsters** - Lori Perkins 2018-03-06

Hollywood has thrilled—and titillated—audiences with tales of women who love monsters since King Kong and *The Creature from the Black Lagoon*. Our love affair with the ultimate “others” continued as we made the acquaintances of Barnabas Collins, Swamp Thing, the Vampire Lestat, Hellboy, and Shrek. Most recently, the genre was celebrated and, ultimately, validated when *The Shape of Water* won the Academy Award for Best Motion Picture—a rare nod to the power and popularity of paranormal romance story-telling. It should come as no surprise that when ViceTV decided to do an episode on “Monsters Fantasies,” they came to Riverdale Avenue Books to interview some of those authors in an episode that aired in March 2018. *Women Who Love Monsters With Stories* by Cecilia Tan \* Jamie K.
