Religions of Asia Today - John L. Esposito
2011-11-15

Ideal for courses in Asian/Eastern religions, *Religions of Asia Today*, Second Edition, covers the same material contained in the authors' longer textbook, *World Religions Today*, Fourth Edition, while also featuring a unique chapter on Islam in Asia. *Religions of Asia Today*, Second Edition, reveals the significance of religion in contemporary life. Hinduism, Buddhism, East Asian Religions, Islam in Asia, indigenous religions, and new religions are explored as dynamic, ongoing forces in the lives of individuals and in the collective experience of modern societies. This unique volume accomplishes two goals: it connects today's Asian religions to their classical beliefs and practices and focuses on how these religions have responded to and been transformed by the modern world. The authors combine thorough coverage of the historical background of each religion with up-to-the-minute discussions of its current practices. This volume is enhanced by numerous pedagogical aids--text boxes, timelines, maps, discussion questions, a comprehensive glossary of key terms, and suggestions for further reading--and more than 100 photographs and illustrations. **NEW TO THIS EDITION:** * Updates throughout that cover more aspects of the current international situation and developments in religious life

around the world * "Rituals and Rites" boxes examining rituals that have changed in practice or meaning over time * "Gender Focus" boxes that highlight gender-specific customs within each faith * A revised and updated Instructor's Manual and Test Bank on CD containing overviews, learning goals, and summaries for each chapter; lecture outlines; PowerPoint-based lecture slides; fill-in-the-blank, multiple-choice, and true/false test questions; sample essay/discussion questions; flash cards of key terms; and suggested reading, viewing, and links

* An updated Companion Website at www.oup.com/us/esposito featuring all of the material on the Instructor's Manual and additional resources for students **ALSO AVAILABLE TO SUIT YOUR COURSE NEEDS:** *World Religions Today*, Fourth Edition (978-0-19-975951-4) *Religions of the West Today*, Second Edition (978-0-19-975950-7) [The Last Judgment and World Religions](#) - Hall Peebles 2005

Most western religions believe that when a person dies, he or she goes either to heaven or to hell and remains there eternally. The individual is forever numbered among the "sheep" who will inherit eternal life or among the "goats" who will suffer everlasting punishment. Although belief in endless torment in hell has been increasingly questioned in recent centuries, the traditional view of the "four last things"--death, judgment,

heaven, and hell?continues to shape expectations aboutthe present and the future.While this view of the last things is familiar in the West, the religions of south and east Asia have a different outlook. For Hinduism and Buddhismthis human life is merely one in an ongoing series of lives, with no clearand abiding separation between ?sheep? and ?goats.?In this book I ask why the eastern and western beliefs are so different andI look for explanations. The monotheism of the western faiths is a significantelement, but many other doctrines, including views of the nature ofGod, scripture and authority, human nature, justice, and punishment, arealso involved.I conclude that the tradition of an everlasting hell is incompatible with anaccurate interpretation of scripture and with the Christian doctrine ofGod. The ?goats? do not exist, in the West as well as the East.Examining the major world religions, Hall Peebles has found deep differencesamong them about the last judgment, which has been so crucial totraditional Christianity. He asks, Why do the eschatologies of east andwest differ so sharply? Why is there no eternal hell in Hinduism andBuddhism? The answers to these questions are important to theologians,historians of religion, and students of religion, and everyone else whothinks, talks, and preaches about hell.Moreover, the religions? views of the?last things? not only govern their expectations about the future; theseviews also color their understanding of human nature and society in thisworld here and now.Peebles? unique contribution to the understanding of western religions ishis argument that hell cannot be eternal. Examining carefully the easternreligions, which have no tradition of eternal hell, and the western traditionin support of it, he concludes that an eternal hell is illogical andincompatible with western beliefs, especially as articulated in Christianity.The subject of this book is not unique, but its breadth of treatment, thecomparison with eastern religions, and above all the conclusion rejectingthe eternality of hell are, taken together, unique. This book is an essentialaddition to scholarship in eschatology.

Kingfisher Children's Bible - 2005

This introduction to the Bible contains retellings of almost 100 stories from the Old and New Testaments, interspersed with extracts from

established and modern translations. Key biblical events are covered and there is also a reference section, illustrated by photographs, maps and diagrams.

World Religions and Democracy - Larry Diamond 2005-03-02

Can religion be compatible with liberal democracy? World Religions and Democracy brings together insights from renowned scholars and world leaders in a provocative and timely discussion of religions' role in the success or failure of democracy. An essay by Alfred Stepan outlines the concept of "twin tolerations" and differentiation, and creates a template that can be applied to all of the religion-democracy relationships observed and analyzed throughout the volume. "Twin tolerations" means that there is a clear distinction and a mutual respect between political authorities and religious leaders and bodies. When true differentiation is accomplished, the religious sector enjoys freedom of activity and the ability to peacefully influence its members but does not wield direct political power. A country's ability to implement the principle of differentiation directly affects the successful development of democracy. Part two focuses on eastern religions—Confucianism, Hinduism, and Buddhism—and includes contributions from Nobel Prize winner Aung San Suu Kyi and His Holiness the Dalai Lama. The third part addresses democracy in relationship to Judaism and the three branches of Christianity—Catholicism, Protestantism, and Eastern Orthodoxy. Sociologist Peter Berger offers a global perspective of Christianity and democracy. The volume's final section discusses what is perhaps the most challenging example of the struggling relationship between religion and democracy today: Islam and the governments of the Muslim nations. Abdou Filali-Ansary, Bernard Lewis, and others present a comprehensive exploration of Muslim thought and faith in an increasingly secular, modern world. It is in this volatile political and religious climate that solutions are most urgently needed but also most elusive. Contributors: Alfred Stepan, Hahm Chaibong, Francis Fukuyama, Pratap Mehta, His Holiness the Dalai Lama, Aung San Suu Kyi, Hillel Fradkin, Daniel Philpott, Tim Shah, Robert Woodberry, Elizabeth Prodromou, Peter Berger, Abdou Filali-Ansary,

Bernard Lewis, Robin Wright, Abdelwahab El-Affendi, Radwan A. Masmoudi, Laith Kubba, Ladan Boroumand, Roya Boroumand.

Gale Researcher Guide for: World Religions: Buddhism, Hinduism, Jainism, and Confucianism - Jenna Sikka 2018-08-30

Gale Researcher Guide for: World Religions: Buddhism, Hinduism, Jainism, and Confucianism is selected from Gale's academic platform Gale Researcher. These study guides provide peer-reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research.

World Religions - Ian Barnes 2007

World Religions looks at the history of the world's great faiths, from those that emerged thousands of years ago to those that have established themselves in more recent times. It is divided into the following chapters: Hinduism and Sikhism; Zoroastrianism; Judaism; Buddhism; Christianity; Islam; Religions of the Far East; and Other Religions. The book looks at the context in which these religions emerged and as migrations and military expansionism helped them to become established in certain regions of the world. World Religions explains the characteristics of each faith, but also demonstrates the common history that many of them share. The book also contains maps and plans showing many significant religious sites around the world, as well as data on how widespread the various faiths are today. With over 150 maps covering a wide range of religions over thousands of years, World Religions is a fascinating account of the diverse range of faiths that have helped shape the history of mankind. -- from dust jacket.

Oriental Thought - Yong Choon Kim 1981

Dr. Yong Choon Kim is a distinguished scholar and educator. He wrote this book to fill the need for a concise introduction to the philosophical and religious ideas of the East. The work is analytical, comparative, and critical presentation in three parts: Indian Thought, Chinese Thought, and the Thoughts of Korea and Japan. It can serve for such courses as Oriental Philosophy, Eastern Religions, World Religions, Comparative Religion, and Comparative Thought. It may also be used in other introductory courses in Religion, Philosophy, and Asian Culture. The

book should be very useful to the general reader interested in Oriental Thought and culture.

BUY NOW to begin your journey through the world's spirituality today!

The Regulation of Religion and the Making of Hinduism in Colonial Trinidad - Alexander Rocklin 2019-02-07

How can religious freedom be granted to people who do not have a religion? While Indian indentured workers in colonial Trinidad practiced cherished rituals, "Hinduism" was not a widespread category in India at the time. On this Caribbean island, people of South Asian descent and African descent came together—under the watchful eyes of the British rulers—to walk on hot coals for fierce goddesses, summon spirits of the dead, or honor Muslim martyrs, practices that challenged colonial norms for religion and race. Drawing deeply on colonial archives, Alexander Rocklin examines the role of the category of religion in the regulation of the lives of Indian laborers struggling for autonomy. Gradually, Indians learned to narrate the origins, similarities, and differences among their fellows' cosmological views, and to define Hindus, Muslims, and Christians as distinct groups. Their goal in doing this work of subaltern comparative religion, as Rocklin puts it, was to avoid criminalization and to have their rituals authorized as legitimate religion—they wanted nothing less than to gain access to the British promise of religious freedom. With the indenture system's end, the culmination of this politics of recognition was

the gradual transformation of Hindus' rituals and the reorganization of their lives—they fabricated a "world religion" called Hinduism.

Christianity - Trevor Barnes 2005-08-18

A biography of human rights activist Malcolm X, discussing his early struggles with racism, rise to fame as the public face of the Nation of Islam, personal hardships, and legacy.

Christianity, Cults & Religions - Paul Carden 2010-07

This 6-session (30 minutes each) DVD-based curriculum leader's guide is for small groups that wish to study the differences between various religions and cult groups from a Christian perspective.

Krishna in History, Thought, and Culture: An Encyclopedia of the Hindu Lord of Many Names - Lavanya Vemsani Ph.D. 2016-06-13

Krishna is a central figure in Hinduism, a religion that has been a fundamental force for thousands of years. This accessible encyclopedia covers texts, practices, scholarship, and arts related to Krishna from the earliest known sources on.

- Overviews the importance of Krishna to world history
- Offers topical and thematic entries illuminating classical texts and practice and modern developments inside and outside India
- Covers philosophical traditions such as Advaita and vegetarianism as well as spiritual and yoga traditions and their contemporary adaptations
- Includes extensive studies of followers and founders of Krishna in India and around the world
- Shares geographical information regarding sacred places and places of pilgrimage

Apples and Oranges - David S. Lieb 2008

Comparative Religion is a great way to learn about Judaism. It also makes for better citizenship. Rabbi Lieb's book both clearly explains each of the world's major religions and shows where Judaism is both similar and different from them. Included is an overview on 'what is a religion', things to remember about Judaism, Christianity, Islam, Hinduism, and Buddhism. There is also a chapter on how to respond to Christian Missionaries.

Critique of Hinduism and Other Religions - Lakshmaṇaśāstrī Jośī 1996

World Religions in the Global Society: Selected Readings - Mary Nyangweso 2022-04-12

World Religions in the Global Society: Selected Readings helps students explore the origins, historical developments, teachings, and contemporary practices of some of the major world religions. The anthology highlights common themes, similarities, and differences within select world religions to demonstrate the diverse perspectives they offer to humanity. The readings examine the different ways in which religions interpret life and reality. They explore the lives, practices, and teachings of great religious leaders to highlight these individuals' unique philosophies of life. Students are challenged to consider what religion is, why humans are religious, the value of studying religion, and how exactly religion is studied. The anthology is divided into five distinct units that first provide students with an introduction to the study of religion and then explore Indigenous religions, Eastern religions, Western religions, and the future of religion. Individual chapters examine Hinduism, Buddhism, Chinese religions, Christianity, Islam, and more. Students consider the interplay of science, religion, and society, as well as new religious movements, including Caribbean Santeria, Wiccan beliefs, and more. World Religions in the Global Society is an ideal resource for courses and programs in world religions and religious studies.

World Religions Made Easy - Paul Carden 2018-09-20

From Islam and Judaism to Jehovah's Witnesses and Mormonism, quickly get a handle on 30 different belief systems and how they compare to Christianity with this pocket-sized book. Strengthen your understanding of Christianity and get practical insight into different faiths so that you can be a more effective witness. Paul Carden is executive director of the Centers for Apologetics Research (CFAR), and author of *Christianity, Cults & Religions* (over 1 million copies sold). He

is also former co-host of the nationwide "Bible Answer Man" radio program. ALSO AVAILABLE IN THE MADE EASY SERIES: Bible Study Made Easy 9781628623437 The Books of the Bible Made Easy 9781628623420 Understanding the Holy Spirit Made Easy 9781628623444

Hinduism and the 1960s - Paul Oliver
2014-11-20

The West has drawn upon Hinduism on a wide scale, from hatha yoga and meditation techniques, to popular culture in music and fashion, yet the contribution of Hinduism to the counter-culture of the 1960s has not been analysed in full. *Hinduism and the 1960s* looks at the youth culture of the 1960s and early 1970s, and the way in which it was influenced by Hinduism and Indian culture. It examines the origins of the 1960s counter-culture in the Beat movement of the 1950s, and their interest in Eastern religion, notably Zen. When the Beatles visited India to study transcendental meditation, there was a rapid expansion in interest in Hinduism. Young people were already heading east on the so-called 'Hippie Trail', looking for spiritual enlightenment and an escape from the material lifestyle of the West. Paul Oliver examines the lifestyle which they adopted, from living in ashrams to experimenting with drugs, sexual liberation, ayurvedic medicine and yoga. This engaging book analyses the interaction between Hinduism and the West, and the way in which each affected the other. It demonstrates the ways in which contemporary Western society has learned from the ancient religion of Hinduism, and incorporated such teachings as yoga, meditation and a natural holistic lifestyle, into daily life. Each chapter contains a summary and further reading guidance, and a glossary is included at the end of the book, making this ideal reading for courses on Hinduism, Indian religions, and religion and popular culture.

Twenty Cases Suggestive of Reincarnation - Ian Stevenson 1980

Cases of responsive xenoglossy thus add to the evidence concerning the survival of human personality after death.

Comprehension Across the Curriculum - Kathy Ganske 2010-01-01

Successful students use comprehension skills and strategies throughout the school day. In this timely book, leading scholars present innovative

ways to support reading comprehension across content areas and the full K-12 grade range. Chapters provide specific, practical guidance for selecting rewarding texts and promoting engagement and understanding in social studies, math, and science, as well as language arts and English classrooms. Cutting-edge theoretical perspectives and research findings are clearly explained. Special attention is given to integrating out-of-school literacies into instruction and developing comprehension in English language learners.

Religion Without God - Ray Billington
2012-11-12

This criticism of theism, especially monotheism, questions the assumption that rejecting God means rejecting religion. Drawing on Western philosophical critiques of religion and non-theistic Eastern religions, Ray Billington shows how a religion without God could work. The concept of religion without God has informed not only the theories of Nietzsche, Kant and Spinoza, but also expressions of belief in Indian and Chinese religions-Hinduism, Theravada Buddhism Zen and Taoism. Concluding with a look at the "the future of faith," this is a wide ranging and lucidly-written look at what it means to "have faith" and how this is distinct from religious belief. Ray Billington is an experienced and respected author on Eastern religion and philosophy. His books include *Understanding Eastern Philosophy*, *Living Philosophy and East of Existentialism*, all published by Routledge. He also writes occasional journalism most notably as a contributor to The Guardian's 'Face to Faith' column. An ex-Methodist minister and onetime chaplain with the SAS, he has now retired from his post as Principal Lecturer in Philosophy at the University of the West of England.

Abraxas: Beyond Good and Evil - Michael Faust
2013-01-26

An extraordinary division exists between Western and Eastern religious thinking. No one in the mainstream media ever draws any attention to it. Why is this debate never allowed to happen? One thing is certain: either everyone in the East is going to hell, or the Western "believers" are the most deluded people in history. Was Western religious thinking ever compatible with Eastern religion and, if so, what

caused the astonishing divergence of later history? What happened to one of the oldest religions in the world, belonging to the mysterious secret society known as the Illuminati, the first Grand Master of which was the demigod Pythagoras? Is the God of Abraham actually the Devil, as the ancient Gnostics maintained? Is this planet of ours hell, ruled over by the Prince of Darkness masquerading as God? Here is wisdom - the True God is Abraxas. His is the same message as Nietzsche's: we must learn to live beyond good and evil.

World Religions - Thomas A. Robinson
2014-11-11

This masterful survey of world religions presents a clear and concise portrait of the history, beliefs, and practices of Eastern and Western religions. The new edition contains added material and has been revised throughout. The authors, both respected scholars of world religions, have over fifty years of combined teaching experience. Their book is accessibly written for introductory classes, can be easily adapted for one- or two-semester courses, and presents a neutral approach for broad classroom use. Pedagogical aids include further reading suggestions, photographs, sidebars, and pronunciation guides. An 800-question bank of multiple-choice test questions is available to professors through Baker Academic's Textbook eSources.

World Faiths: Islam - Trevor Barnes 2013-02-19
More than one billion people across the globe practice Islam. *World Faiths: Islam* by Trevor Barnes surveys the life and teachings of its founder, --the prophet Mohammed, and traces the history of the Islamic faith. With sections on Islamic law and science, art and architecture, and worship and festivals, this book offers an accessible and multi-faceted understanding of this powerful and important religious tradition.

Teilhard de Chardin and Eastern Religions -
Ursula King 2011

Teilhard de Chardin and Eastern Religions is, in part, an update of the 1980 classic, *Toward a New Mysticism*. Author Ursula King has extensively revised this work, adding new material as she traces Teilhard's encounter with Eastern thought. It includes an extensive bibliography and annotated study guide. Book jacket.

Our Religions - Arvind Sharma 1993

Surveys the history and teachings of Hinduism, Buddhism, Confucianism, Taoism, Judaism, Christianity, and Islam, and describes the issues they face today

Anthology of World Scriptures - Robert E. Van Voorst 2006

Robert Van Voorst's ANTHOLOGY OF WORLD SCRIPTURES, now in its fifth edition, is the most widely adopted anthology in comparative world religions courses. Now, for the first time, Wadsworth is proud to present Van Voorst's ANTHOLOGY OF WORLD SCRIPTURES: EASTERN RELIGIONS. This new volume contains not only all of the scriptural selections from the previous ANTHOLOGY, but also newer textual material for each religion that brings scripture study closer to our own time. Included in this concise, affordable reader is coverage of Hinduism, Buddhism, Jainism, Sikhism, Confucianism, Taoism and Shinto. Van Voorst's characteristic clarity and pedagogical vision make for a student-friendly and scholarly dependable guide to the history, doctrines, ethical systems, structures and rituals of these major Eastern religions.

Hinduism and Other Eastern Religions -
Trevor Barnes 2013

In today's world, where religious divides and cultural differences so often have tragic consequences, a sound understanding of the belief systems and practices of other peoples and cultures is essential. These four titles in the *World Faiths* series offer a simple and child-friendly introduction to religion around the world. The history and origins of each religion are explained, along with information about their calendars and festivals; places of worship; and religious practices and their place in modern society. Religious artwork illustrates how each religion has evolved throughout history, while dynamic photographs show how modern worship is celebrated.

Introducing Hinduism - Hillary Rodrigues
2006

Introducing Hinduism is the ideal starting point for students wishing to undertake a comprehensive study of this fascinating religion. This lively introduction explores the complexities of Hinduism, including its social structures, especially its caste system, its rituals and many

scriptures, its vast mythology and varieties of deities, and its religious philosophies. Hillary Rodrigues, an experienced teacher of the Hindu tradition, emphasises the importance of Hindu rituals and practice, subjects of particular interest in contemporary scholarship. Illustrated throughout, the book also includes text boxes, summary charts, a glossary and a list of further reading to aid students' understanding and revision. The accompanying website to this book can be found at

<http://www.routledge.com/textbooks/0415392691>.

the director of International Outreach under its founder, Walter Martin. Today he is executive director of the Centers for Apologetics Research, an organization that monitors and researches religions and cults around the world.

Religion For Dummies - Rabbi Marc Gellman
2011-04-18

Why are we here? How should we live? What happens after we die? Why does evil exist? Religion For Dummies explains how the world's great religions answer questions that persist through generations. Authors Rabbi Marc Gellman and Monsignor Thomas Hartman are trusted religious advisors known as the God Squad. With wonderful wit and incredible wisdom, they host a daily talk show which reaches nearly 4 million homes in the New York area, and have appeared on numerous TV and radio shows. This book is not a scholarly theological treatise; it's a lively, practical, hands-on resource that will help you better understand your own religion and others. You'll explore: Religion's role in the family and in the workplace The beliefs and practices of Christianity, Judaism, Islam, and other religions Religion's impact during major passages in life such as birth, death, and marriage How to join a religion and how to pray How religion can help you deal with issues in every day life such as conflict, adversity, marriage, divorce, and more Religious rituals and ethics Religion for Dummies touches on lesser-known religions (such as, Zoroastrianism, Jainism, Sikhism). It explores how people of various faiths pray, celebrate life and death, and view moral issues. The book does not tell you what to believe, but rather encourages you to live as you believe and let your religion infuse every aspect of your life. It doesn't give simple answers to haunting, complex questions; it helps you find your own answers and pursue your own spiritual path!

99 Jumpstarts for Kids' Social Studies Reports - Peggy Whitley 2007

The Complete Idiot's Guide to Hinduism - Linda Johnsen 2009

Contains updated and expanded information on the ancient faith's history and relevance, covering a wide range of topics from its deities and core tenets to its sociological aspects and its approaches to enlightenment. Original.

Eastern Religions - Vasudha Narayanan 2005
An illustrated introduction to five of the great religious traditions of the world examines the principles, practices, tenets, and history of Buddhism, Hinduism, Taoism, Confucianism, and Shinto, in a detailed study designed to help those in the West who wish to move closer to the spirit of the East. Original.

World Faiths: Hinduism and other Eastern Religions - Trevor Barnes 2013-02-19

Starting with the origins of Hinduism 4,500 years ago, this book offers an introduction to the numerous religious traditions of the Eastern world. Jainism, Sikhism, Buddhism, Shintoism, Taoism, and Hinduism are all covered. Descriptions and photographs of holy sites, spiritual practices, core beliefs, and religious leaders help World Faiths: Hinduism and other Eastern Religions by Trevor Barnes paint a vivid picture of the multiplicity of religions practiced throughout India and Asia.

World Religions & Cults Volume 2 - Bodie Hodge 2016-05-02

Religions of the Far East like Hinduism, Buddhism, and New Age have been gaining a foothold in the Western world. We even see witchcraft on the rise and paganism infiltrating the minds of the next generation—even in Christian homes! Why is that? How can a Christian respond? We already know how the one true God has responded, and in this title you will learn: □How a Christian can effectively witness for ChristHow to refute these false religionsWhat it truly is that these religions teach and why The Christ follower should be set at ease knowing that all other gods are false as the all-knowing God of Scripture has revealed that He is the only God. Therefore, this volume dives into these styles of religions and looks at their origins and their basic tenets as well as why they fall so short. Understanding the basic tenets of these religions helps the Bible believer see the flaws in these philosophies. In this way one can better discern how to be an effective witness for Jesus Christ while standing on the authority of the Bible.

Norton Anthology of World Religions - Cunningham, Lawrence S 2015-02-18

This magisterial Norton Anthology, edited by world-renowned scholars, offers a portable

library of more than 1,000 primary texts from the world's major religions. To help readers encounter strikingly unfamiliar texts with pleasure; accessible introductions, headnotes, annotations, pronouncing glossaries, maps, illustrations and chronologies are provided. For readers of any religion or none, *The Norton Anthology of World Religions* opens new worlds that, as Miles writes, invite us "to see others with a measure of openness, empathy, and good will..."

Unprecedented in scope and approach, *The Norton Anthology of World Religions: Christianity* brings together over 150 texts from the Apostolic Era to the New Millennium. The volume features Jack Miles's illuminating General Introduction—"How the West Learned to Compare Religions"—as well as Lawrence S. Cunningham's "The Words and the Word Made Flesh," a lively primer on the history and core tenets of Christianity.

Christianity and Eastern Religions - Rose Publishing 2014-09-23

A century ago the average person knew little to nothing about Eastern religions like Buddhism or Hinduism. But as globalization has brought the East and West together, eastern religious teachings and practices are rapidly influencing more and more western culture and beliefs. For example, in 1900 an estimated 1% of North Americans believed in Hindu or Buddhist reincarnation compared with approximately 25% of the U.S. population who believe in reincarnation today. With missionary zeal, Hindu gurus and Buddhist monks such as the Dalai Lama of Tibetan Buddhism and the Maharishi Mahesh Yogi of Transcendental Meditation have traveled to the West to spread their beliefs. Some eastern religious beliefs and practices have been popularized in western culture through meditation, feng shui, martial arts, acupuncture, and Asian medicine. But the foundational beliefs of the eastern religious worldview remain in stark contrast to the Christian worldview. *Christianity and Eastern Religions* helps Christians understand their own beliefs as well as those of other religions. The pamphlet contains a detailed comparison of Christianity

with 11 Eastern religions, including the major types of Hinduism and Buddhism. Christianity and Eastern Religions looks at the following topics: Key Beliefs on God and the purpose of life/salvation Origins, founders, and other major historical figures Sacred writings Distinctive practices and major celebrations denominations, and number of adherents The focus on the Dalai Lama Profiles of other Eastern religions, including Sikhism, Confucianism, Taoism, Shinto, as well as beliefs and practices such as reincarnation and karma, yoga, Eastern meditation The growth of Eastern religions and what it means to Christians This pamphlet also teaches the scriptural basis for why Christians Believe there is a God who is personal, powerful, and has a fatherly interest in our lives Believe that there is only one physical life, and then the judgment Believe that man can never be good enough to evolve to perfection, inner peace, or pleasing God Believe that Christ is the only way Believe that Christ is the means to inner peace, blessedness, and pleasing God

Introduction to Swaminarayan Hinduism -

Raymond Brady Williams 2018-11-08

An Introduction to Swaminarayan Hinduism, third edition, offers a comprehensive study of a contemporary form of Hinduism. Begun as a revival and reform movement in India 200 years ago, it has now become one of the fastest growing and most prominent forms of Hinduism. The Swaminarayan Hindu transnational network of temples and institutions is expanding in India, East Africa, the UK, USA, Australasia, and in other African and Asian cities. The devotion, rituals, and discipline taught by its founder, Sahajanand Swami (1781-1830) and elaborated by current leaders in major festivals, diverse media, and over the Internet, help preserve ethnic and religious identity in many modern

cultural and political contexts. Swaminarayan Hinduism, here described through its history, divisions, leaders, theology and practices, provides valuable case studies of contemporary Hinduism, religion, migrants, and transnationalism. This new edition includes up-to-date information about growth, geographic expansion, leadership transitions, and impact of Swaminarayan institutions in India and abroad.

Hinduism and Other Eastern Religions -

Trevor Barnes 2005-08-18

World Faiths: Hinduism and Other Eastern Religions explores the major religions of the Eastern world, including Hinduism, Jainism, Sikhism, and Buddhism. From Hindu gods and goddesses to life in a Buddhist monastery, it reveals the origins of each religion, the key elements of its belief systems, and the appeal of Eastern religions to the West.

Living Religions - Mary Pat Fisher 2003

Living Religions—Eastern Traditions is a highly readable and stimulating survey of the major global religions and new religious movements that originated in the East, with particular focus on how people are trying to live by them in today's world. Evocative illustrations enhance this approach; first-person interviews of ordinary people and boxes uncovering the spiritual roots of well-known public figures bring this book to life. Covering the key religions of India, China, and Japan, the social context, origins, teachers, scriptures, and historical development of each faith are carefully explored, with emphasis on how practitioners themselves understand their tradition from inside. For readers interested in a comprehensive book about eastern religions, as well as the clergy of various faiths, and workers in corporations that trade in India, China, and Japan.
