Verdigris Deep - Frances Hardinge 2018-04-10

"Deliciously shiver-inducing . . . Fans of dark fantasies such as Neil Gaiman's *Coraline* will find this tale irresistible"—from the award-winning author (*School Library Journal*). *Verdigris* (n.): a blue-green rust that tarnishes aging and forgotten copper coins, altering them entirely . . . Ryan feels invisible: At school, he's in a class with students older and cooler than him, and at home, he's largely ignored during his parents' petty arguments. And then he meets Josh. Josh is popular in the way that only beautiful boys can be—he's almost electric. Both Ryan and his chatterbox sidekick, Chelle, fall under Josh's spell, and the three soon become inseparable. One summer afternoon, they sneak off to the troubled town of Magwhite. Trapped without bus fare for the ride home, Josh convinces his less mischievous companions their only solution is to steal coins from the infamous wishing well. Soon after, each develops a

unique, sinister power. When the well witch appears, she gargles demands of her three new servants. Ryan, Josh, and Chelle have robbed her and now must obey her . . . and the wishes rotting at the bottom of her well. "A deliciously creepy tale . . . There is a vividness and energy to Hardinge's imagination that makes almost every moment of this absorbing story shine with light or glossy darkness." —*The Horn Book* (starred review) "Inescapably chilling . . . a dark, polished gem." —*Publishers Weekly* (starred review) "There's no denying Hardinge's power as a storyteller, her ability to create beautiful, precise imagery, or her expectation that her readers will grasp the subtle ideas and reflections woven into the novel." —*Booklist* (starred review)

The Gravedigger's Son: A Charley Davidson Novella - Darynda Jones 2021-08-09

From New York Times and USA Today bestselling author Darynda Jones comes a new story in her Charley Davidson series... The job should have been easy. Get in. Assess the situation. Get out. But for veteran tracker Quentin Rutherford, things get sticky when the girl he's loved since puberty shows up, conducting her own investigation into the strange occurrences of the small, New Mexico town. He knew it would be a risk coming back to the area, but he had no idea Amber Kowalski had become a bona fide PI, investigating things that go bump in the night. He shouldn't be surprised, however. She can see through the dead as clearly as he can. The real question is, can she see through him? But is anything that's worth it ever easy? To say that Amber is shocked to see her childhood crush would be the understatement of her fragile second life. One look at him tells her everything she needs to know. He's changed. So drastically she barely recognizes him. He is savage now, a hardened—in all the right places—demon hunter, and she is simply the awkward, lovestruck girl he left behind. But she doesn't have time to dwell on the past. A supernatural entity has set up shop, and it's up to them to stop it before it kills again. While thousands of questions burn inside her, she has to put her concern over him, over what he's become, aside for now. Because he's about to learn one, undeniable fact: she's changed, too. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.** Reviews for The Gravedigger's Son: "This was exciting, out of this world, along with the right amount of chemistry and steam to keep the story exciting." - Mari Loves Books Blog "The Charley Davidson series continues to be one that is near and dear to my heart, so getting more books with these amazing characters brings me an immense amount of joy." - Nerdy Chic "The Gravedigger's Son is a wonderful addition to the

world of Charley Davidson. I enjoyed the tension, action, suspense, and rekindling of a romance.” - Reviews by Saph
