Tibetan Book of the Dead - W. Y. Evans-Wentz
2020-11-18

Derived from a Buddhist funerary text, this famous volume's timeless wisdom includes instructions for attaining enlightenment, preparing for the process of dying, and moving through the various stages of rebirth.

Living with a Menstrual Teenager in Anxious

Times - Miranda Gray 2020-06-16

It can be hard enough living with a teenager with a menstrual cycle under normal circumstances, but with worldwide insecurity, financial meltdowns, global pandemics, pending environmental catastrophe, civil unrest, increasing international isolation, and rapidly changing technology, social relations and

regulations, things can be even more challenging for both Mother and Daughter to understand each other and to meet each other's needs. With two menstrual cycles living under the same roof it's not surprising that emotions run high, and that there is misinterpretation and misunderstanding. Living together in close proximity, small misunderstandings have the potential to become major disputes that affect the wellbeing of the whole family. Many Mothers feel the need for a guide to understand the menstrual cycle of their teenage Daughters, and in that understanding to also recognise how their own cycle affects them and impacts on their Daughter. This process is not a science - there is no instruction manual for you as a Cyclic Woman or for your Daughter, instead you need to view things in the light of caring and loving exploration and discovery. If you can understand how your Daughter is feeling then you can change your approach to be more empathic and more flexible, which will not only create more

positive responses from her but also allow you to meet your needs as well as hers without confrontation. This book will help you to navigate the challenges and build a closer and more harmonious relationship and living environment. Understand your own cycle and your teenager's cycle better. Make things easier for both you and her. Know when and what to do, and what not to do. Create a flexible and adaptive cyclic relationship. The outcome is a simple and heartfelt desire: To manage the complexities of the menstrual cycle in the modern environment with your teenager in the most harmonious way possible, meeting her needs as well as your own. If you see your current situation as an opportunity to explore who you are and to observe your Daughter as she expresses herself in the world then you can deepen your relationship with your Daughter, with her cyclic femininity and with your own cyclic nature. Then you can both approach the personal and global challenges in harmony and

step out into the world feeling strong and empowered and with a better understanding of who you are and what you can do together. Miranda Gray is a best-selling author of groundbreaking books on the menstrual cycle published in multiple languages. She is also the originator of the Worldwide Womb Blessing.

Accabadora - Michela Murgia 2012-10-30

The award winning *Accabadora* is an exceptional English-language debut, written with intriguing subtlety reflecting a sensual picture of local Italian life and death in villages during the 1950's. A time where family ties and obligations still decide much of life's ebb and flow. A must read for those who love a touch of the unusual. Formerly beautiful and at one time betrothed to a fallen soldier, Bonaria Urrai has a long held covenant with the dead. Midwife to the dying, easing their suffering and sometimes ending it, she is revered and feared in equal measure as the village's *Accabadora*. When Bonaria adopts Maria, the unloved fourth child of a widow, she

tries to shield the girl from the truth about her role as an angel of mercy. Moved by the pleas of a young man crippled in an accident, she breaks her golden rule of familial consent, and in the recriminations that follow, Maria rejects her and flees Sardinia for Turin. Adrift in the big city, Maria strives as ever to find love and acceptance, but her efforts are overshadowed by the creeping knowledge of a debt unpaid, of a duty and destiny that must one day be hers. *Accabadora* has been awarded seven major literary prizes, including Italy's prestigious Premio Campiello.

[A un passo dalla felicità. Ritrovare la gioia nei momenti di crisi](#) - Olga Chiaia 2011

God's Debris - Scott Adams 2013-12-24

In his first non-humor book, the acclaimed, bestselling creator of *Dilbert* explores the mysteries and magic of the cosmos. Imagine that you meet a very old man who—you eventually realize—knows literally everything. Imagine that

he explains for you the great mysteries of life: quantum physics, evolution, God, gravity, light, psychic phenomenon, and probability—in a way so simple, so novel, and so compelling that it all fits together and makes perfect sense. What does it feel like to suddenly understand everything? You may not find the final answer to the big question, but God's Debris might provide the most compelling vision of reality you will ever read. The thought experiment is this: Try to figure out what's wrong with the old man's explanation of reality. Share the book with your smart friends, then discuss it later while enjoying a beverage. It has no violence or sex, but the ideas are powerful and not appropriate for readers under fourteen. "Dilbert creator Scott Adams tackles the myriad questions about God and humans. It's definitely not a slam on religion, it's definitely not Dilbert, but it is definitely digital." —Wired

Christmas Comes to Moominvalley - Alex Haridi 2020-05-28

Everyone is welcome in Moominvalley - especially at Christmas. A beautiful, collectible and classic picture book, lavishly embossed and foiled, *Christmas Comes to Moominvalley* is the perfect gift for Moomin fans of all ages. This is an exquisitely illustrated re-telling of Tove Jansson's classic story *The Fir Tree*, in which the kindly Moomins are woken up from their winter sleep to be told that 'Christmas' is coming. The only trouble is, the puzzled Moomins have no idea who, or what 'Christmas' is . . . A new generation of readers will enjoy meeting the loveable Moomintroll, his parents Moominmamma and Moominpapa, and all their friends in this beautifully illustrated story, in which the Moomin family demonstrate their special values of tolerance, kindness and integrity, as they prepare for their first Christmas - helping us understand what the festive season is really all about.

Moon Time is for you. With over 45 pages of additional material including: . Fertility charting . Creating ceremonies: menarche, mother blessing, menopause Moon phases . Expanded and fully-updated resource section. *Shakti and shakta* - Arthur Avalon 2018-10-22 There is no word of wider content in any language than this Sanskrit term meaning 'Power'. For Shakti in the highest causal sense is

God as Mother, and in another sense it is the universe which issues from Her Womb. And what is there which is neither one nor the other? Therefore, the Yoginihridaya Tantra thus salutes Her who conceives, bears, produces and thereafter nourishes all worlds: "Obeisance be to Her who is pure Being-Consciousness-Bliss, as Power, who exists in the form of Time and Space and all that is therein, and who is the radiant Illuminatrix in all beings." It is therefore possible only to outline here in a very general way a few of the more important principles of the Shakti-doctrine, omitting its deeply interesting practice (Sadhana) in its forms as ritual worship and Yoga. Today Western science speaks of Energy as the physical ultimate of all forms of Matter. So has it been for ages to the Shaktas, as the worshippers of Shakti are called. But they add that such Energy is only a limited manifestation (as Mind and Matter) of the almighty infinite Supreme Power (Maha-Shakti) of Becoming in 'That' (Tat), which is unitary Being (Sat) itself.

Ah This! - Osho 2017-11-12

The feeling that it is five minutes to midnight is known to many by now, and is often referred to as the "Doomsday Clock." As the many crises faced by humanity and planet Earth gather and tumble toward an emergency, some have even reduced the time left to two and a half minutes. It is no wonder that we feel increasingly helpless and at a loss what to do. Osho calls Zen not a teaching but an alarm to wake us up, because as individuals we are all deeply asleep, and this sleep has to be shattered. "For centuries, you have been asleep. Sleep has become your nature. You have forgotten what awareness is, what to be awake means." He wants us to wake up...before it is too late. Zen, more than any other religious or spiritual tradition, is relevant to such times as these, when none of our old approaches to solving problems will do. Immediate, urgent, and direct, Zen is not interested in answers or in questions, not interested in teaching at all, because it is not a

philosophy. As Osho begins here, by quoting the great Zen master, Diale: "All the teachings of the sages, of the saints, of the masters, have expounded no more than this: they are commentaries on your sudden cry, 'Ah, This!'" In this series of talks, Osho unfolds a selection of classic Zen stories and responds to questions. Along the way, we learn how the tools of Zen can be used to embrace uncertainty, to be at ease with not-knowing, to act decisively and with clarity and awareness. To "get woke," in other words, so that we can use each moment between now and midnight for transformation.

The Periodic Table - Primo Levi 1996-10-01
The Periodic Table is largely a memoir of the years before and after Primo Levi's transportation from his native Italy to Auschwitz as an anti-Facist partisan and a Jew. It recounts, in clear, precise, unfailingly beautiful prose, the story of the Piedmontese Jewish community from which Levi came, of his years as a student and young chemist at the inception of the Second

World War, and of his investigations into the nature of the material world. As such, it provides crucial links and backgrounds, both personal and intellectual, in the tremendous project of remembrance that is Levi's gift to posterity. But far from being a prologue to his experience of the Holocaust, Levi's masterpiece represents his most impassioned response to the events that engulfed him. The Periodic Table celebrates the pleasures of love and friendship and the search for meaning, and stands as a monument to those things in us that are capable of resisting and enduring in the face of tyranny.

The Luneburg Variation - Paolo Maurensig
2016-09-13

"Not since White Knights of Reykjavik, George Steiner's riveting account of the 1972 world championship match between Boris Spassky and Bobby Fischer, has a writer demonstrated such stunning insight into the nurturing madness that compels chess play at the master level." - Publishers Weekly
At the opening of this

amazing fiction from Paolo Maurensig, *The Luneburg Variation*, a cadaver is discovered, the body of a wealthy businessman from Vienna, apparently a suicide without plausible motivation. Next to the body is a chessboard made of rags with buttons for pieces whose positions on the board may hold the only clue. As the plot of this passionately colored, coolly controlled thriller unfolds, we meet two chess players—one a clever, persecuted Jew, the other a ruthless, persecuting German—who have faced each other many times before and played for stakes that are nothing less than life itself.

The Optimized Woman - Miranda Gray
2016-12-09

If you want to get ahead, get a cycle. The menstrual cycle consists of Optimum Times - days of heightened performance skills and abilities. When we 'match the task to the time' we have the opportunity to excel beyond our expectations. We can achieve goals and success more easily, get ahead in the workplace, and

enhance our feelings of fulfilment. In *The Optimized Woman*, Miranda Gray presents a flexible plan of practical daily actions for self-development, goal achievement and work enhancement, aligned to the phases of the menstrual cycle. This book will totally change how women think about their cycles. It will change how they live their lives, achieve their goals, plan their work and careers, and create happiness and well being. The reader will be amazed that this is the one self-development method that they can apply month after month without losing the commitment and motivation to achieve their dreams, and bring fulfilment and success.

Zeno's Conscience - Italo Svevo 2003-02-04

Long hailed as a seminal work of modernism in the tradition of Joyce and Kafka, and now available in a supple new English translation, Italo Svevo's charming and splendidly idiosyncratic novel conducts readers deep into one hilariously hyperactive and endlessly self-

deluding mind. The mind in question belongs to Zeno Cosini, a neurotic Italian businessman who is writing his confessions at the behest of his psychiatrist. Here are Zeno's interminable attempts to quit smoking, his courtship of the beautiful yet unresponsive Ada, his unexpected-and unexpectedly happy-marriage to Ada's homely sister Augusta, and his affair with a shrill-voiced aspiring singer. Relating these misadventures with wry wit and a perspicacity at once unblinking and compassionate, *Zeno's Conscience* is a miracle of psychological realism.

The Book of Disquiet - Fernando Pessoa
2010-12-09

Sitting at his desk, Bernardo Soares imagined himself free forever of Rua dos Douradores, of his boss Vasques, of Moreira the book-keeper, of all the other employees, the errand boy, the post boy, even the cat. But if he left them all tomorrow and discarded the suit of clothes he wears, what else would he do? Because he would

have to do something. And what suit would he wear? Because he would have to wear another suit. A self-deprecating reflection on the sheer distance between the loftiness of his feelings and the humdrum reality of his life, *The Book of Disquiet* is a classic of existentialist literature.

Lo spazio della doula - Brenda Benaglia

2022-05-10T00:00:00+02:00

La doula è una figura che offre supporto emotivo e accudimento pratico alle madri, ma non è un'ostetrica e nemmeno una psicologa. Lo spazio della doula offre una cartografia nazionale di un fenomeno sociale in emersione. Muovendo dall'osservazione etnografica e dall'ascolto delle voci di decine di doule e madri, Brenda Benaglia allarga lo sguardo al rapporto fra donne, corpi, cura e società nell'Italia contemporanea. Quali bisogni accoglie la doula? Quali vuoti personali, familiari, sociali e istituzionali denuncia? Quali solitudini? Il volume restituisce un panorama in cui risuona l'eredità femminista che ha teorizzato il valore della parola, del

rispecchiamento fra donne, delle pratiche di condivisione simbolica e materiale, dell'importanza di pronunciare i propri bisogni e di riconoscere le proprie vulnerabilità. Oggi, l'esistenza stessa della doula tradisce tutta l'ambivalenza tipica della più audace contemporaneità occidentale in cui i confini fra individualità e individualismo, responsabilità e colpa, autodeterminazione e solitudine sono sempre più sfumati.

Telephone Tales - Gianni Rodari 2020-09-08
Reminiscent of Scheherazade and One Thousand and One Nights, Gianni Rodari's *Telephone Tales* is many stories within a story. Every night, a traveling father must finish a bedtime story in the time that a single coin will buy. One night, it's a carousel that adults cannot comprehend, but whose operator must be some sort of magician, the next, it's a land filled with butter men who melt in the sunshine Awarded the Hans Christian Anderson Award in 1970, Gianni Rodari is widely considered to be Italy's most

important children's author of the 20th century. Newly re-illustrated by Italian artist Valerio Vidali (The Forest), Telephone Tales entertains, while questioning and imagining other worlds.

Orlando Innamorato - Matteo Maria Boiardo
1831

Manuale d'amore - Barbara Majnoni
2022-08-29

L'amore è un meraviglioso viaggio nella nostra interiorità. Costruire una relazione sincera, solidale e indistruttibile è un'arte. L'incastro è difficilissimo, perché durante la crescita subentrano disagi, meccanismi di difesa individuali, dinamiche malsane, criticità di coppia. Il manuale propone tematiche utili per la nostra vita: come riconoscere i nostri bisogni infantili negati, liberarci da ricatti emotivi, sensi di colpa, ciascuno per proprio conto, poi nella relazione con l'altro. Vuole fare capire come nei rapporti ci si ammala e si guarisce dalle ferite che non fanno amare. L'attrazione con quel dato

partner serve proprio a riaprirle. Non è un caso se nasce. Offre proprio la possibilità di ricucirle, per fare uno scatto evolutivo in avanti. Se si segue il proprio sentire, o meglio l'autenticità, e si fanno propri i principi dell'amore, si raggiunge la libertà. Chi legge è portato step by step alla conquista del punto d'intesa perché solo allora il cuore batte allo stesso ritmo di quello del partner e il cervello accende il sentimento dell'empatia. Come scrive Pablo Neruda: "Nascere non basta. È per rinascere che siamo nati. Ogni giorno".

My Brilliant Friend - Elena Ferrante 2018-10-02
Beginning in the 1950s Elena and Lila grow up in Naples, Italy, mirroring two different aspects of their nation.

The Wonder Down Under - Nina Brochmann
2018-03-06

A joyful and indispensable guide filled with astonishing, important, and little-known information about the vagina that will equip a new generation to make informed choices about

their sexual health and happiness. The Wonder Down Under is a comprehensive guide to a miraculous and complex part of the body that too few of us (regardless of gender) are all that familiar with--the vagina. With wisdom, humor, and scientific aplomb, medical student Ellen Støkken Dahl and Dr. Nina Brochmann take readers on a fascinating journey of female sexual organs and sexual health--from the clitoris to contraception to cervical cancer. More than a user's manual, this book is the funny, frank tribute to the vagina that we have been waiting for. The Wonder Down Under is filled with astonishing, essential, and little-known information--relayed with both medical expertise and genuine empathy. Did you know, for instance, that female and male sex organs are merely variations on the same basic structure? Or that there's no such thing as a virginity test--because examining the hymen cannot meaningfully indicate whether or not someone's had sex? Brochmann and Dahl have written a

tour-de-force about the biology, anatomy, and reality of the female body, examining the many ways in which widespread misinformation and silence about the vagina have been harmful to women over time. The Wonder Down Under makes crucial contributions to the discussion: the book was an instant bestseller that sold out in its native Norway in just three days. Since then it has been acquired by publishers in more than two dozen countries around the world. The Wonder Down Under is a joyful and indispensable book that will educate readers of all kinds and equip a new generation to make informed choices about their sexual well-being.

Marcovaldo - Italo Calvino 2012-10-26
A charming portrait of one man's dreams and schemes, by "the greatest Italian writer of the twentieth century" (The Guardian). In this enchanting book of linked stories, Italo Calvino charts the disastrous schemes of an Italian peasant, an unskilled worker in a drab northern industrial city in the 1950s and '60s, struggling

to reconcile his old country habits with his current urban life. Marcovaldo has a practiced eye for spotting natural beauty and an unquenchable longing for the unspoiled rural world of his imagination. Much to the continuing puzzlement of his wife, his children, his boss, and his neighbors, he chases his dreams and gives rein to his fantasies, whether it's sleeping in the great outdoors on a park bench, following a stray cat, or trying to catch wasps.

Unfortunately, the results are never quite what he anticipates. Spanning from the 1950s to the 1960s, the twenty stories in Marcovaldo are alternately comic and melancholy, farce and fantasy. Throughout, Calvino's unassuming masterpiece "conveys the sensuous, tangible qualities of life" (The New York Times).

Pushing the Limits - Katie McGarry 2013-04-30

Rendered a subject of gossip after a traumatic night that left her with terrible scars on her arms, Echo is dumped by her boyfriend and bonds with bad-boy Noah, whose tough attitude

hides an understanding nature and difficult secrets.

Luna rossa. Capire e usare i doni del ciclo mestruale - Miranda Gray 2011

Red Moon - M.a. Grant 2013-08-01

Dark, moving and original, a story of family, survival, and getting on with life... Flynn Sinclair understands pack loyalty - for years as his Alpha father's enforcer, he has done things in the name of duty that he can't ever forget. But the vast expanse of Alaska offers him a peace he's never known. Alone, removed from pack life, he can focus on his research and try to forget his life before. But duty has a way of inviting itself in, and Flynn finds himself doing two reckless things in one week: leaving the safety of Alaska to save his brother Connor's life, and unwittingly falling in love with Evie Thompson, a woman who doesn't deserve to be drawn into his terrifying world. Connor carries news of their father's descent into madness, and it looks like

neither geography nor Flynn's attempts at disengagement will put off a confrontation. Flynn had finally begun to believe that he might deserve something good in his life - something like Evie - but to move forward in the light, he must first reconcile with the dark.

The Complete Prophecies of Nostradamus - Nostradamus 2009

Provides the complete prophecies of Nostradamus, accompanied by new interpretations of the seer's predictions with analysis that includes the dates on which the predictions would occur.

Puberty Girl - Shushann Movsessian
2004-10-01

Frankly discusses the physical and social changes that occur when a girl goes through puberty, and offers suggestions on how to deal with them.

Luna rossa. Capire e usare i doni del ciclo mestruale - Miranda Gray 2020

[Looking for Mary Magdalene](#) - Anna Fedele 2013
Anne Fedele provides a detailed ethnography of alternative pilgrimages to Catholic shrines in contemporary France that are dedicated to Saint Mary Magdalene or house black Madonna statues. Based on more than three years of fieldwork it describes the way in which pilgrims with a Christian background from Italy, Spain, Britain and the United States interpret Catholic figures, symbols and sites according to spiritual theories and practices derived from the transnational Neopagan movement.

The Scent of the Moon - Selene Calloni Williams
2016-07-18T13:35:00+02:00

Kazimir, Svetlana and Anastasia are real characters. They live in a very remote part of the Siberian steppe. Kazimir is a white shaman with extraordinary power, a healer whose fame has reached as far as Kazakhstan, Mongolia and Moscow. Svetlana is a black shaman, able to travel through the underworld, the realm of the invisible, of ancestors, of dreams, of the soul,

and take others with her, on extraordinary shamanic voyages. Anastasiya, Svetlana's niece, is one of the very few shamans in the world who masters the art of both white and black shamanism. By whoever knows her, or even just heard of her, she is considered a reincarnation of the Princess of Altay. Selene Calloni Williams and her son Michelangelo have met these three shamans by chance during one of their extraordinary research trips, while attempting to reach the burial site of the Princess of Altay. To gain the three shamans' trust, Selene and Michelangelo have visited them on several occasions since, even in winter when the steppe is freezes at minus 40 degrees. One day, Svetlana decided to entrust them with a "tale of power". A "tale of power" has the ability of communicating images containing new possibilities of thought and action. In this world everything is imagination and nothing which hasn't been imagined before can happen. For example, how could the first man have hunted

the first mammoth, or the first tyrannosaurus have devoured the first velociraptor, if within instinct the image of hunt hadn't existed? In order for behaviour to exist there always must be a guiding image. These are the images which the ancients addressed as gods and which psychoanalysts define as archetypes: the original forms of all experiences. Shamans are able to converse with gods. They are bards, storytellers, they know tales able to bring images into existence, create possibilities which were previously unexplored, and thus can solve otherwise insurmountable problems. These are not just any stories; they're "tales of power". This book tells the story of the passionate love which bonds a boy and a girl, an old man and an old woman, tells of eagles and underworlds, describes the "shamanic journey" and the triumph of love over fear and death. It is not just any story; it shares active secrets, treasures, like magic diamonds which enter the body between one page and the other, between an adventure

and the other. This book can be read at the blink of an eye, the same blink with which the great spirit of the Black Eagle, the lord of the dead, will carry you down to the underworld, to then take you back, changed forever, to your life: it's magic, it's poetry.

The Wise Wound - Penelope Shuttle 1999

"This study of the facts, fantasies and taboos surrounding menstruation has helped bring about a profound shift in attitudes towards a natural phenomenon that has been reviled and denigrated over the centuries. Thoroughly researched yet highly readable, combining psychology, anthropology and poetry, Shuttle and Redgrove illustrate their theories using examples ranging from The Bible to such modern day pop horrors as vampire movies and the cult film *The Exorcist*."--BOOK JACKET.

Shamanism As a Spiritual Practice for Daily Life - Tom Cowan 2014-06-11

This inspirational book blends elements of shamanism with inherited traditions and contemporary religious commitments. Drawing on shamanic practices from the world over, **SHAMANISM AS A SPIRITUAL PRACTICE FOR DAILY LIFE** addresses the needs of contemporary people who yearn to deepen their own innate mystical sensibilities. This inspirational book shows how to develop a personal spiritual practice by blending elements of shamanism with inherited traditions and current religious commitments. Contents include: The central role of power animals and spirit teachers. Visionary techniques for exploring the extraordinary in everyday life. Elements of childhood spirituality including songs, secret hiding places, power spots, and imaginary power figures. A journey to an ancestral shaman to recover lost knowledge.

Iqbal - Francesco D'Adamo 2010-05-11

When young Iqbal is sold into slavery at a carpet factory, his arrival changes everything for the

other overworked and abused children there. It is Iqbal who explains to them that despite their master's promises, he plans on keeping them as his slaves indefinitely. But it is also Iqbal who inspires the other children to look to a future free from toil...and is brave enough to show them how to get there. This moving fictionalized account of the real Iqbal Masih is told through the voice of Fatima, a young Pakistani girl whose life is changed by Iqbal's courage.

The Path to the Spiders' Nests - Italo Calvino
2013-04-04

Pin is a bawdy, adolescent cobbler's assistant, both arrogant and insecure who - while the Second World War rages - sings songs and tells jokes to endear himself to the grown-ups of his town - particularly jokes about his sister, who they all know as the town's 'mattress'. Among those his sister sleeps with is a German sailor, and Pin dares to steal his pistol, hiding it among the spiders' nests in an act of rebellion that entangles him in the adults' war.

Sesso sacro - Roberta Rio
2015-07-24T00:00:00+02:00

I cambiamenti in atto in questo periodo storico ci chiedono di riscoprire alcune nostre capacità perse o dimenticate. Per fare questo vengono qui proposte due grandi vie: la conoscenza di una parte della vera storia dell'umanità e il ritorno a un ruolo fondamentale del corpo, con un uso puro e sacro della sessualità. La separazione tra corpo e mente che stiamo vivendo e l'idea che la mente sia superiore al corpo ci stanno conducendo su una strada illusoria e poco umana. Farci rendere conto di questo è lo scopo del libro di Roberta Rio: un nuovo approccio alla sessualità, più naturale ed equilibrato, ci sottrarrà dalla fantasia deformante della mente per portarci alla più vera dimensione del corpo e della materia.

Every Seventh Wave - Daniel Glattauer
2013-12-03

Love Virtually ends as Leo leaves Austria for America. He and Emmi have still not met, but

the intensity of their correspondence has been threatening Emmi's marriage. But shouldn't these unconventional lovers be given another chance? When Leo returns from Boston, he gradually resumes his email contact with Emmi. But he has plans to settle down with Pamela, the woman he met in America. Emmi and Leo meet at last in person, in an attempt to draw a line under their relationship, but they cannot stop writing to each other. When Pamela learns of Leo's secret and unusual liaison, she returns to the USA, and Emmi's marriage to Bernhard is tested to its limits. Readers of Love Virtually begged to know more: could Emmi and Leo ever get together? Once again Daniel Glattauer takes us up and down through stormy waters, and delivers a thrilling sequel.

The Arthurian Tarot - Caitlin Matthews
2007-01-22

Il mago quantico - Gaia Shamanel 2018-10-23
Il Mago Quantico è colui che possiede l'antica

sapienza magica, potenziata dalle scoperte della Fisica Quantistica. In questo manuale di Magia avanzata, riceverai la tua iniziazione e apprenderai sette rituali superiori, riservati solo agli iniziati. Al contempo, la rivoluzione scientifica della Fisica Quantistica ha portato a una straordinaria scoperta: la Magia esiste davvero, e funziona. L'antica sapienza esoterica, unita alle consapevolezze della scienza, ha dato vita alla Magia Quantica. In questo affascinante percorso, apprenderai come diventare tu stesso un Mago Quantico di livello avanzato. Riceverai l'iniziazione e apprenderai sette rituali superiori, riservati agli iniziati, coi quali potrai: fare viaggi astrali ed esperienze fuori dal corpo, incontrare la Sorgente di Amore Universale, creare serbatoi di energia e scudi di protezione, realizzare desideri col tuo Sé Superiore, eseguire

esorcismi, guarire energeticamente la Madre Terra. Aprirai il tuo Terzo Occhio e svilupperai il tuo grande potere magico interiore.

Her Blood is Gold - Lara Owen 1993

Ancient reverence for the mystery and magic of menstruation has been replaced by silence, ignorance, and PMS jokes. Breaking the silence of the menstruation taboo, here is a pioneering and liberating exploration of the "M" in PMS. The powerful stories of three very different women help women recognize the power of their periods.

Female Energy Awakening - Miranda Gray
2016

Cave and Cosmos - Michael Harner 2013-04-09

In 1980, Michael Harner blazed the trail for the worldwide revival of shamanism with his seminal classic *The Way of the Shaman*. In this long-awaited sequel, he provides new evidence of the reality of heavens. Drawing from a lifetime of personal shamanic experiences and more than

2,500 reports of Westerners' experiences during shamanic ascension, Harner highlights the striking similarities between their discoveries, indicating that the heavens and spirits they've encountered do indeed exist. He also provides instructions on his innovative core-shamanism techniques, so that readers too can ascend to heavenly realms, seek spirit teachers, and return later at will for additional healing and advice. Written by the leading authority on shamanism, *Cave and Cosmos* is a must-read not only for those interested in shamanism, but also for those interested in spirituality, comparative religion, near-death experiences, healing, consciousness, anthropology, and the nature of reality. Praise for Michael Harner and *The Way of the Shaman* "What Yogananda did for Hinduism and D. T. Suzuki did for Zen, Michael Harner has done for shamanism—namely, bring the tradition and its richness to Western awareness." —from *Higher Wisdom*, by Roger Walsh and Charles S. Grob "Wonderful,

fascinating.... Harner really knows what he's talking about." —Carlos Castaneda, best-selling author of *The Teachings of Don Juan* and *The Active Side of Infinity* "An intimate and practical guide to the art of shamanic healing and the technology of the sacred. Michael Harner is not just an anthropologist who has studied shamanism; he is an authentic white shaman." —Stanislav Grof, author of *The Adventure of Self-Discovery* "Harner has impeccable

credentials, both as an academic and as a practicing shaman. Without doubt (since the recent death of Mircea Eliade) the world's leading authority on shamanism." —Nevill Drury, author of *The Elements of Shamanism* "Michael Harner is a great shaman. He also proves that a person can be both a scientist and a shaman." —Bo Bair Rinchinov, Siberian Buryat shaman
