Christianity and Islam - 2020-08

GCSE AQA A Religious Studies: Christianity & Buddhism Revision Question Cards - CGP Books 2020-08-20

The Triune God - Fred Sanders 2016-12-06
A constructive study of Trinitarian theology that aims to clarify our knowledge of the triune God by rightly ordering the theological language we use to praise him. The Triune God reaches its conclusions about how this doctrine should be handled on the basis of the way the Trinity was revealed. As such, theologian Fred Sanders: Invites a doxological invitation to the reader to contemplate the mystery of the Trinity. Establishes the biblical exposition and draws the doctrinal implications from it. Offers dogmatic principles for Trinitarian exegesis. Though Sanders does interact with major voices from the history of doctrine—and his arguments are indebted to and informed by the great tradition of Trinitarianism—he is clear throughout that Trinitarianism is a gift of revelation before it is an achievement of the church. The most patristic way to proceed toward a well-ordered doctrine of the Trinity is, after all, to study Scripture. - ABOUT THE SERIES- New Studies in Dogmatics seeks to retrieve the riches of Christian doctrine for the sake of contemporary theological renewal. Following in the tradition of G. C. Berkouwer's Studies in Dogmatics, this series provides thoughtful, concise, and readable treatments of major theological topics, expressing the biblical, creedal, and confessional shape of Christian doctrine for a contemporary evangelical audience. The editors and contributors share a common conviction that the

way forward in constructive systematic theology lies in building upon the foundations laid in the church's historic understanding of the Word of God as professed in its creeds, councils, and confessions, and by its most trusted teachers. *Eduqas GCSE (9-1) Religious Studies Route A* - Joy White 2017-04-03
