Read-Aloud Book of Bible Stories - Amy Steedman 2012-10-05

From the scores of beautiful and thrilling tales in

the Bible, celebrated British author Amy Steedman has collected three dozen that are sure to delight young children. With the confidence of a master storyteller practiced in holding the attention of even the most restless child, she weaves tales of Noah and Moses, Solomon and David, and Daniel in the lion's den. She leads young listeners to marvel at prophecies of the coming Savior, to be charmed by the gentle goodness of His boyhood, and be dazzled by the scores of miracles that proved He is the Messiah coming to save Israel ... and to save, as well, every little child who hears these stories! Continuing with stories about events after the Resurrection, Miss Steedman takes young readers along with Peter, Paul, and the Apostles as they carry the Good News to the ends of the Earth, and she even gives them a glimpse, with St. John, of the marvels promised for the end of time! Today, too many religious books for young children trivialize the story of salvation and its many tales of mystery and majesty! Not these classic read-aloud stories that have proven their worth for over a century now! These stories are suited to the unlimited understanding of young children; but they're proportioned as well to the immense powers of imagination which remain uncrippled in little children, leaving them for the meantime still able and willing to believe in the truth of good things, and in marvels they may not yet understand. Now is the time to read Amy Steedman's remarkable Bible stories to your child ... to plant in their souls these sweet seeds of truth and beauty. Be patient! Not too long from now, you'll find them blooming into a mature and abiding faith in Jesus.

This Bible also features: clear, readable 9pt text easy-to-read layout maps shortcuts to key stories, events and people of the Bible reading plan timeline book by book overview quick links to find inspiration and help from the Bible in different life situations. British Text This edition uses British spelling, punctuation and grammar to allow the Bible to be read more naturally. More about the translation: This

revised and updated edition of the NIV includes three main types of change, taking into account changes in the way we use language day to day; advances in biblical scholarship and understanding; and the need to ensure that gender accurate language is used, to faithfully reflect whether men and women are referred to in each instance. The translators have carefully assessed a huge body of scholarship, as well as inviting peer submissions, in order to review every word of the existing NIV to ensure it remains as clear and relevant today as when it was first published. Royalties from all sales of the NIV Bible help Biblica, formerly the International Bible Society, in their work of translating and distributing Bibles around the world.
